SPECIAL STATE ELECTION
JANUARY 19, 2010

A legal meeting of the Town of East Bridgewater was held at the Gordon W. Mitchell Middle School, 435 Central St. on January 19, 2010 under a Warrant issued by the Selectmen and dated November 3, 2009 to bring in their votes for the Special State Election. The polls were open from 7:00 A.M. to 8:00 P.M.

Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty and tabulators registered at zero. Instruction and penalty cards were posted according to law, as were specimen ballots. The keys to the ballot boxes were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Town Clerk, Marcia Weidenfeller: Precinct I – Warden; Marijo Martin, Clerk; Elaine Meuse, William Andrews, Norine Heath, Susan Condon, and Howard V Post; Precinct II – Warden; Melissa Schrader, Clerk; Donald Nelson, Deanne Flint, Donald Almeida, Arthur Thurston, and Irene Andrews; Precinct III – Warden; Lois Nelson, Clerk; Barbara Putt, Marie Day, Louise Almeida, Richard Crane, Connie Symenow; Precinct IV – Warden; Nancy Hacker, Clerk; Jennifer Turner, Edward Fopiano, Theresa Rhode, Patricia McElroy, Lynn Fowler.

Four (4) Provisional ballots had been voted and only two (2) were validated and tabulated.

There were a total of five thousand four hundred seventy-eight (5,478) voters, these totals include two hundred sixty-six (266) absentee ballots cast, fifty (50) from Precinct I, fifty-eight (58) from Precinct II, eighty-one (81) from Precinct III, and seventy-seven (77) from Precinct IV. The total number of eligible voters at the time was eight thousand six hundred and twenty-two (8,622). A total of 63.5% of the voters in East Bridgewater participated in the election.

Town Clerk, Marcia Weidenfeller, announced the vote at 8:45 p.m. The following was the result upon completion of tabulation:

SPECIAL TOWN MEETING
MARCH 29, 2010

A legal meeting of the inhabitants of the Town of East Bridgewater, qualified to vote in elections and town affairs was held at the East Bridgewater Gordon W. Mitchell Middle School, Monday evening, March 29, 2010 at 7:00 P.M. under a Warrant issued by the Selectmen and dated March 9, 2010.

Checking voters into the auditorium were Patricia McElroy, Elaine Meuse, Sharon Farrell and Melissa Schrader. There were one hundred sixty-five (165) voters present, thirty-nine (39) in Precinct I, thirty-six (36) in Precinct II, thirty-four (34) in Precinct III, and fifty-six (56) in Precinct IV. Tellers appointed by Moderator, and sworn to duty by Town Clerk, Marcia Weidenfeller, were Roy Gardner, Donald Nelson, Lois Nelson, Nancy Smith, William Jacques and Thomas Hamilton. Non voters present were Marilyn Thompson, Treasurer/Collector, Phyllis Tirrell, Town Accountant, Carolyn Vinton, Asst Town Accountant, George Samia, Town Administrator, Paula S. Keefe, Asst. Town Clerk, Robert Charles, Veteran's Agent, Manny Leite, Library Director, Kevin Feeley, Town Counsel for the Town of East Bridgewater, Laura Brown, Tax Title Attorney for East Bridgewater, and her assistant Susan Burke. Also, attending were a number of retired and current employees who were non residents. Recording the meeting from East Bridgewater Community Television Inc., were Russell Hannagan, Michael Grigas, Virginia Fresina, Robert Taylor, Christopher DeMolles, Tyler Cubell, Jacqueline Kelley, Anne Kerrigan, and Michaelene Foss.

Before the meeting was called to order Peter Hamilton, Chairman of the Board of Selectman called Fire Chief Ryon Pratt, and Sergeant Steven Brown representing Police Chief John Cowan to the stage. He then read a statement concerning the rescue of an East Bridgewater resident. The rescue took place on March 23, 2010 when due to a medical condition the resident lost control of her vehicle landing in a residents in ground swimming pool. Jennifer Pavao, Kerry Keene, and Amy Rinker, all East Bridgewater residents were credited with saving the victims life. Mr. Hamilton presented all three women with Citations for their bravery, followed by a standing ovation from the audience.

The meeting was called to order at 7:20 P.M.

The Moderator read a list of Non Residents in attendance, and stated that a quorum of 150 people had been met.

The audience participated in the pledge of allegiance.

Peter Hamilton, Chairman of the Board of Selectmen read a statement concerning the intent of the articles on the warrant. He also thanked the voters for attending Town Meeting and performing their civic duty.

Town Clerk, Marcia Weidenfeller read the opening of the Warrant and the Return of Service.

The following action was taken:

ARTICLE 1 - Voted to transfer from free cash the sum of \$245.00 to pay an unpaid bill from a prior year to Massachusetts Municipal Association.

UNANIMOUS VOTE

ARTICLE 2 - Voted to transfer from free cash the sum of \$660.72 to pay a fiscal 2009 unpaid bill to Customized Data Services, Inc.

UNANIMOUS VOTE

ARTICLE 3 - Voted to transfer from free cash the sum of \$18,200 to be added to Town Office Budgets line items as listed below:

<u>Exp Type</u>	<u>Acct Name</u>	<u>Acct Number</u>	<u>Amount</u>
Other	Veterans Assistance 2010	1-543-521-5770	\$15,000.00
Payroll	Accounting P.S.- Sick Leave	1-135-510-5163	\$ 3,200.00

ARTICLE 4 - Voted to transfer from free cash to account number 01-161-520-5180 Town Meeting (Wardens) the sum of \$5,000.00 to pay the expenses for the April 2010 Town Election

ARTICLE 5 - Voted to transfer from Account No. 22-610-837 Receipts Reserved for Appropriation – Public Library –Library Fines the sum of \$10,000.00 to Account No. 1-610-521-5511 FY2010 Public Library Other Expenses Supplies – Books Periodicals.

Before Article 6 was voted Selectwoman, Theresa McNulty gave a short explanation of the article. A power point presentation was then given by Assistant Treasurer/Collector Catherine Chermesino, and question concerning the article were answered by Treasurer/Collector, Marilyn Thompson, and Town Counsel, Kevin Feeley.

ARTICLE 6 - Voted to accept the provisions of Section 18 of Chapter 32B of the Mass. General Laws for the purpose of requiring Medicare-eligible retirees of the Town of East Bridgewater to enroll in Medicare Part B, as well as a Medicare supplement plan offered by the Town provided that said coverage is actuarially equivalent with the retirees existing coverage and further provided that the Town shall pay any Medicare Part B penalty assessed against the retiree.

MAJORITY VOTE

ARTICLE 7 – Voted to accept the provisions of Section 9E of Chapter 32B of the Mass. General Laws for the purpose of allowing the Town to contribute a subsidy or additional rate of greater than 50% for M.G.L. C. 32B benefits for employees retired from the service of the Town and their dependents.

Before Article 8 was voted Laura Brown, Tax Title Attorney for the Town of East Bridgewater gave a brief history of the land parcels contained in the article. A map of the parcels involved was in full view of the residents for their observation. Attorney Brown explained the need to enact a so-called Home Rule Petition for the purpose stated in the article.

ARTICLE 8 - Voted to petition the Great and General Court of the Commonwealth to enact a so-called Home Rule Petition for the purpose stated herein, and in the form substantively similar to the following:

Section 1: Whenever the Town of East Bridgewater has conveyed or sold any land or holds a tax title, pursuant to Chapter 60 of the M.G.L., by any instrument in writing conveying or taking or purporting to convey or to take such land, and said instrument is duly recorded in the Registry Of Deeds for the district wherein such land is situated and was or is located on any of the following East Bridgewater Assessors' Maps: 85, 86, 87, 95, 96, 104, 105 or 115, and its description is based upon a plan entitled "Plan of Land Belonging to The Hanson Land Co. situated in the Towns of East Bridgewater and Hanson, Mass. by J. C. Torrey C.E. dated July 1888," filed on July 18, 1888 at the Plymouth County Registry of Deeds at Plan 1, Page 36, and the notice or procedure for taking and sale or conveyance under said chapter or the instrument or record thereof because of defect, irregularity, or omission, fails to comply in any respect with any requirement of law

relating thereto, including a failure by the town to foreclose the right of redemption, the instrument or record thereof shall, notwithstanding such defects, irregularities or omissions be effective for all purposes and shall operate to foreclose all rights or redemption to the same extent as though such notice or procedure or the instrument of record thereof had originally not been subject to any such defects, irregularities, or omissions, unless an instrument of redemption has been recorded prior to the effective date of this act.

Section 2: The provisions of this act shall only apply to the instruments pertaining to any fiscal year(s) prior to, and including, Fiscal Year 2008 and shall have no effect on any legal proceeding commenced prior to the effective date of this act in the courts of this Commonwealth in which a party has appeared asserting a cause of action claiming the right to redeem.

Section 3: This act shall take effect one year after the date of this enactment.

Before Article 9 was voted Glenn Tattrie representing the Capital Improvement Planning Committee stated the committee is in favor of this article.

ARTICLE 9 - Voted to appropriate the sum of \$188,000.00 for replacement of a 18ft. X 40ft. drainage culvert and related infrastructure improvements located on Belmont Street between Elm Street and Cheryl Drive and to meet said appropriation, the Treasurer with the approval of the Board of Selectmen, be authorized to borrow \$188,000.00 under M.G.L. Chapter 44, Section 7.

MODERATOR DECLARED 2/3 VOTE

ARTICLE 10 – Voted to raise and appropriate the sum of \$400,000 for the purpose of financing the following water pollution abatement facility projects: repair, replacement and/or upgrade of septic systems, pursuant to agreements with the Board of Health and residential property owners, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation, the Treasurer, with the approval of the Board of Selectmen is authorized to borrow \$400,000 and issue bonds or notes therefore under Massachusetts General Law Chapter 111, Section 127B1/2 and/or Chapter 29C of the General laws; that project and financing costs shall be repaid by the property owners in accordance with the agreements authorized under those statutes and at 5% interest per annum, of which the proceeds from such interest, as well as any amounts received from the homeowner for the repayment of such loans, shall be credited to the "Reserve for Appropriation-W.P.A.T Loan Repayment Account", and shall, with approval of Town Meeting, be used to fund the repayment of any loans granted by the Water Pollution Abatement Trust under this authorization. Such bonds or notes shall be general obligations of the Town; that the Treasurer with the approval of the Board of Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or security agreement with the Trust and otherwise contract with the Trust and Department of Environmental Protection with respect to such loan and for any Federal or State aid available for the projects or for the financing thereof; and that the Board of Selectmen, Board of Public Works, or other appropriate local body or official is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the projects and to take any other action necessary to carry out the projects.

MODERATOR DECLARED A 2/3 VOTE

Adjourned at 8:16 P.M.

TOWN OF EAST BRIDGEWATER
ANNUAL TOWN ELECTION
APRIL 10, 2010

A legal meeting of the Town of East Bridgewater was held at the Gordon W. Mitchell Middle School, 435 Central Street on April 10, 2010 to bring in their votes for the Election of Town Officers under a Warrant issued by the Selectmen and dated, March 9, 2010.

Wardens in each precinct received 400 ballots and receipts for same were obtained. Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty and tabulators registered at zero. The keys to the ballot boxes and tabulators were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Town Clerk, Marcia Weidenfeller: Precinct I, Marijo Martin, Warden; Elaine Meuse, Clerk; Sharon Farrell, Catherine Chermesino, Norine Heath, and Louise Almeida, Precinct II, Melissa Schrader, Warden; Elaine Sands, Clerk; Susan Gillpatrick, Barbara Sullivan, Arthur Thurston, and Deanne Flint, Precinct III, Paula Keefe, Warden; Barbara Putt, Clerk; Marie Day, Donald Almeida, Connie Symenow, and Richard Crane, Precinct IV, Dina Livingston, Warden; Jennifer Turner, Clerk; Theresa Rhode, Edward Fopiano, Patricia McElroy, and Ethelynn Fowler.

Specimen ballots, penalty and instruction cards were posted according to law, as were the machine tapes that showed zero totals. The polls were declared opened at 11 a.m. and closed at 7 p.m.

The total number of eligible voters qualified to vote at the time of the election was 8,500. Of that total, seven hundred and five (705) actually voted. The total number of absentee votes cast per precinct are as follows; Precinct I- Eleven (11), Precinct II- Four (4), Precinct III- Eleven (11); Precinct IV- Twenty-Six (26). There were no Provisional Ballots cast. A little more than eight percent (8.3%) of the voters participated in the election.

Town Clerk, Marcia Weidenfeller, announced the total vote at 7:35 p.m. The following was the result upon completion of tabulation (elected*):

SPECIAL TOWN MEETING

June 7, 2010

A legal meeting of the inhabitants of the Town of East Bridgewater, qualified to vote in elections and town affairs was held at the East Bridgewater Gordon W. Mitchell Middle School, Monday evening, June 7, 2010 at 7:00 P.M. under a Warrant issued by the Selectmen and dated May 18, 2010.

Checking voters into the auditorium were Patricia McElroy, Elaine Sands, Barbara Putt, Linda Libby, Sandra Luddy-Ross, Catherine Chermesino, Susan Gillpatrick, and Jeanne Bennett.

When checking in each voter was given a paper yes/no vote which was to be used at the Annual Town Meeting. There were nine hundred two (902) voters present, two hundred eleven (211) in Precinct I, two hundred thirty-eight (238) in Precinct II, two hundred forty-five (245) in Precinct III, and two hundred eight (208) in Precinct IV.

Tellers and Deputy Moderators appointed by Moderator, and sworn to duty by Town Clerk, Marcia Weidenfeller, Tellers were John Clifford, Jerry Hartman, Lois Nelson, Donald Nelson, Scott Hastings, Kenneth Dedominici, and William Jacques. Deputy Moderators were Kevin Brower, Gerald Leavitt. Non-voters present were Marilyn Thompson, Treasurer/Collector, Phyllis Tirrell, Town Accountant, Carolyn Vinton, Assistant Town Accountant, George Samia, Town Administrator, Paula S. Keefe, Assistant Town Clerk, Robert Charles, Veteran's Agent, Manny Leite, Library Director, Kevin Feeley, Town Counsel for the Town of East Bridgewater, Edward Gardner, Building Commissioner, Susan Cote, Superintendent of Schools, Paul Viera, Principal High School, Deborah Duprey, Assistant Principal Middle School, Maureen Tucker, Technology Director for School Department, Patricia Lugo, School Business Manager, Mark Morris, Southeastern Regional Manager, Geoff Diehl, Candidate for State Representative, Paula Vogler, Enterprise Correspondent. Recording the meeting from East Bridgewater Community Television Inc., were Russell Hannagan, Michael Grigas, Anne Kerrigan, Michaelene Foss, Nick Keany, Daniel Roth and Elliot Peterson.

Before calling the meeting to order the Moderator asked the body to rise and join him in reciting the pledge of allegiance.

The Moderator then introduced Lindsey Wolfe a 7th grade student at the Gordon Mitchell Middle School who sang the National Anthem.

The meeting was called to order at 8:09 P.M. the delay in calling the meeting to order was due to the large turnout. This necessitated a satellite room to be set up with audio/visual to accommodate the overflow.

The Moderator read a list of Non Residents in attendance, and stated that a quorum of 150 people had been met.

Town Clerk, Marcia Weidenfeller, read the opening of the Warrant and the Return of Service.

The following action was taken:

Article 1 – Voted to transfer from Police Department Personal Services Account No. 01-210-510-5130 Patrolman Salary the sum of \$27,000.00 to Account No. 01-210-511-5148 Additional Comp-Other.

Town Clerk, CMC, CMMC

ANNUAL TOWN MEETING

June 7, 2010

A legal meeting of the inhabitants of the Town of East Bridgewater, qualified to vote in elections and town affairs was held at the East Bridgewater Gordon W. Mitchell Middle School on Monday evening, June 7, 2010, 7:30 P.M. under a Warrant issued by the Selectmen and dated May 18, 2010.

Checking voters into the auditorium were Patricia McElroy, Elaine Sands, Barbara Putt, Linda Libby, Sandra Luddy-Ross, Catherine Chermesino, Susan Gillpatrick, and Jeanne Bennett. There were nine hundred eight (908) voters present, two hundred seventeen (217) in Precinct I, two hundred thirty-eight (238) in Precinct II, two hundred forty-five (245) in Precinct III, and two hundred eight (208) in Precinct IV. Tellers and Deputy Moderators appointed by Moderator, and sworn to duty by Town Clerk, Marcia Weidenfeller, Tellers were John Clifford, Jerry Hartman, Lois Nelson, Donald Nelson, Scott Hastings, Kenneth Dedominici, and William Jacques Deputy Moderators were Kevin Brower, Gerald Leavitt. Non voters present were Marilyn Thompson, Treasurer/Collector, Phyllis Tirrell, Town Accountant, Carolyn Vinton, Asst Town Accountant, George Samia, Town Administrator, Paula S. Keefe, Asst. Town Clerk, Robert Charles, Veteran's Agent, Manny Leite, Library Director, Kevin Feeley, Town Counsel for the Town of East Bridgewater, Edward Gardner, Building Commissioner, Susan Cote, Superintendent of Schools, Paul Viera, Principal High School, Deborah Duprey, Asst. Principal Middle School, Maureen Tucker, Technology Director for School Department, Patricia Lugo, School Business Manager, Mark Morris, Southeastern Regional Manager, Geoff Diehl, Candidate for State Representative, Paula Vogler, Enterprise Correspondent. Recording the meeting from East Bridgewater Community Television Inc., were Russell Hannagan, Michael Grigas, Anne Kerrigan, Michaelene Foss, Nick Keany, Daniel Roth and Elliot Peterson.

The Moderator called the meeting to order at 8:25 P.M.

Town Clerk, Marcia Weidenfeller, read the opening of the Warrant and the Return of Service.

The Moderator announced a Secret Ballot would be used for Article 10, and stated Article 10 and 3 would be taken out of order and voted first.

The following action was taken:

Article 10 was presented to the body. Before any discussion took place the Finance Committee stated they approved the article, as did the Capital Improvement Committee. David Floeck, Co-Chairman of the East Bridgewater High School Building Committee presented information concerning the formation of this committee. Several of the committee members were called upon to explain the article and the necessity of the feasibility study to examine potential improvement options for the East Bridgewater High School.

Town Administrator, George Samia explained how this article would be funded. After a lengthy discussion ensued, a motion was made to move the article and was denied by the moderator. The moderator felt the need to allow people to speak on the article. A short time later, a motion was made again to move the article at which time the moderator agreed. The tellers were instructed to collect the paper yes/no vote from the body.

Upon completion of collecting the paper votes the tellers proceeded to count the yes/no votes in full view of the body. The results of the count were announced by the moderator.

ARTICLE 10 – Voted that the Town appropriate the sum of Eight Hundred Thousand Dollars (\$800,000) to pay costs of a

feasibility study to examine potential improvement options for the East Bridgewater High School, located at 11 Plymouth Street in East Bridgewater, said sum to be expended under the direction of the School Building Committee, and to meet said appropriation the Treasurer, with the approval of the Selectmen, is authorized to borrow said sum under M.G.L. Chapter 70B, or any other enabling authority; that the Town acknowledges that the Massachusetts School Building Authority's ("MSBA") grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any costs the Town incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the Town, and that the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Feasibility Study Agreement that may be executed between the Town and the MSBA.

YES = 801, NO = 51, Moderator declared a 2/3 Vote

ARTICLE 3 – Voted to raise and appropriate the sum of \$100,226.00 and transfer from General Fund Unreserved Fund Balance ("Free Cash") the sum of \$300,000.00 for a total of \$400,226.00 to be added to Account No. 82-122-911 Expendable Trusts Selectmen Capital Stabilization Fund.

Moderator declared a 2/3 Vote.

ARTICLE 1 – Voted to accept the reports of the Town Officers and Committees and various verbal reports.

ARTICLE 2 – Voted to authorize the Board of Selectmen to enter into a contract with Mass. Highway for the construction and maintenance of public highways for the fiscal year commencing July 1, 2010.

ARTICLE 4 – Voted to raise and appropriate the sum of money in the column entitled "Totals Recommended by Finance Committee for Vote" to be appropriated for the various purposes designated, each total recommended being considered a separate appropriation and that the Town vote to raise and appropriate from Taxation, Borrowing, Free Cash, Overlay Reserve or by Transfers from Available Funds, such sums of money as may be required to defray town charges for the fiscal year ending June 30, 2011 and expressly for the following purposes.

ARTICLE 11 – Voted to accept the provisions of Chapter 73 Section 4 of the Acts of 1986 as amended by Chapter 126 of the Acts of 1988. Authorizing an increase of 50% for Property Tax Exemptions under Clause 17D, 22, 22A, 22B, 22C, 22D, 22E, 37A, and 41C of Section 5 of Chapter 59 of the General Laws for Blind, Elderly, Widowed, and Disabled American Veterans with a service connected disability for Fiscal 2011.

ARTICLE 12 – Voted to amend the Town By-Laws by adopting the following “Right to Farm By-Law” for the East Bridgewater Agricultural Commission.

PART FIVE - REGULATIONS

III. RIGHT TO FARM

Section 1 Legislative Purpose and Intent

- A. The purpose and intent of this By-Law is to state with emphasis the Right to Farm accorded to all citizens of the Commonwealth under Article 97, of the Constitution, and all state statutes and regulations there under including but not limited to Massachusetts General Laws, Chapter 40A, Section 3, Paragraph 1; Chapter 90, Section 9, Chapter 111, Section 125A and Chapter 128 Section 1A. We the citizens of the Town of East Bridgewater restate and republish these rights pursuant to the Town’s authority conferred by Article 89 of the Articles of Amendment of the Massachusetts Constitution. (“Home Rule Amendment”).
- B. This General By-Law encourages the pursuit of agriculture, promotes agriculture-based economic opportunities, and protects farmlands within the Town of East Bridgewater by allowing agricultural uses and related activities to function with minimal conflict with abutters and Town agencies. This By-Law shall apply to all jurisdictional areas within the Town of East Bridgewater.

Section 2 Definitions

- A. The word “farm” shall include any parcel or contiguous parcels of land, or water bodies used for the primary purpose of commercial agriculture, or accessory thereto.
- B. The word “farming” or “agriculture” or their derivatives shall include, but not be limited to the following:
 1. farming in all its branches and the cultivation and tillage of the soil;
 2. dairying;
 3. production, cultivation, growing and harvesting of any agricultural, aquacultural, floricultural, viticultural, or horticultural commodities;
 4. growing and harvesting of Christmas trees;
 5. cultivation of sugar maple trees for the production of maple products;
 6. growing and harvesting of forest products and any other forestry or lumbering operations; raising of livestock, including horses;
 7. keeping of horses as a commercial enterprise;

8. keeping and raising of poultry, swine, cattle, sheep, goats, rabbits, ratites (such as emus, ostriches and rheas), camelids (such as llamas, alpacas, and camels) and other domesticated animals for food and other agricultural purposes, including fiber and fur-bearing animals (not to include exotic animals).
 9. keeping of honey bees;
 10. fish hatcheries.
- C. "Farming" shall encompass activities including, but not limited to, the following:
1. operation and transportation of slow-moving farm equipment over roads within the Town;
 2. control of pests including, but not limited to insects, weeds, predators, and disease organisms of plants and animals;
 3. application of manure, fertilizers, and pesticides;
 4. conducting agriculture-related educational and farm-based recreational activities, provide that the activities are related to marketing the agricultural output or services of the farm;
 5. processing and packaging of the agricultural output of the farm and the operation of a farmer's market or farm stand including signage thereto;
 6. maintenance, repair, or storage of seasonal equipment or apparatus owned or leased by the farm owner or manager used expressly for the purpose of propagation, processing, management, or sale of the agricultural products;
 7. on-farm relocation of the earth and clearing of ground for farming operation;
 8. construction and use of farm structures and facilities for the storage of animal wastes, farm equipment, pesticides, fertilizers, agricultural products and livestock, for the processing of animal wastes and agricultural products, for the sale of agricultural products, and for the use of farm labor, as permitted by local and state building codes and regulations; including construction and maintenance of fences.

Section 3 Right to Farm Declaration

- A. The Right to Farm is hereby recognized to exist within the Town of East Bridgewater. The above-described agricultural activities may occur on holidays, weekdays, and weekends by night or day and shall include the accompanying incidental noise, odors, dust and fumes associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community, and society in general. The benefits and protections of this By-Law are intended to apply exclusively to those agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this Right to Farm By-Law shall be deemed as acquiring any interest in land, or imposing any land use regulation, which is properly the subject of state statute, regulation, or local Zoning By-Law. This By-Law does not supersede local, state or federal laws or regulations or private covenants.

Section 4 Disclosure Notification

- A. The Town will provide a copy of the following notice by posting a copy of the notice at the East Bridgewater Town Hall and at the East Bridgewater Public Library, and will include the notice and copy of the By-Law on the Town's official website.
- "It is the policy of the Town of East Bridgewater to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food, and other agricultural products, and also for its natural and ecological value. This disclosure notification is to inform buyers or occupants that the property they are about to acquire or occupy lie within a town where farming activities occur. Such farming activities may include, but are not limited to, activities that cause noise, dust and odors. Buyers of occupants are also informed that the location of property within the town may be impacted by commercial agricultural operations including the ability to access water services for such property under certain circumstances".

Section 5 Resolution of Disputes

- A. Any person who seeks to complain about the operation of a farm may, notwithstanding pursuing any other available remedy, file a grievance with the Select Board, the Zoning Enforcement Officer, or the Board of Health, depending upon the nature of the grievance. The filing of the grievance does not suspend the time within which to pursue any other available remedies that the aggrieved may have. The Zoning Enforcement Officer or Select Board may forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the referring town authority within an agreed upon time frame with all involved parties.
- B. The Board of Health, except in cases of imminent danger or public health risk, may forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the Board of Health within an agreed time frame with all involved parties.

Section 6 Severability Clause

- A. If any part of the By-Law is for any reason held to be unconstitutional or invalid, such decision(s) shall not affect the remainder of this Bylaw. The Town of East Bridgewater declares the provisions of this By-Law to be severable.

Section 7 Precedence

"In the event of conflict between this By-Law and all other regulations, this By-Law shall take precedence. In the event of conflict between this By-Law and federal or state law, federal or state law shall take precedence respectively."

ARTICLE 13 – Voted to amend the Town By-Laws PART 3 OFFENSES AND PENALTIES XVII: DOG BY-LAW XVII: DOG BY-LAW

By Amending SECTION 4, SECTION 5 and SECTION 11, Fees, Fines and Reasonable Costs, number 6 as follows:
(Additions and changes are underlined.)

SECTION 4 – If the owner of an impounded dog is known, such owner shall be given notice of the impounding within three days thereof. Such owner may reclaim the dog upon payment of a fee determined by the Dog Officer with the approval of the Board of Selectmen. If the impounded dog belongs to a town resident, that owner must produce proof of a current license and current rabies inoculation certificate before release is granted. All cost of impoundment with any unpaid license fees, late fees, fines and reasonable costs incurred by the town for impounding and maintaining the dog will be the sole responsibility of the owner.

SECTION 5 – A late fee shall be assessed if a dog is not licensed on or before September 1 each year. Schedule of late fees are as follows:

<u>1st offense</u>	<u>\$ 25.00</u>
<u>2nd offense</u>	<u>\$ 50.00</u>
<u>3rd offense and any subsequence offenses</u>	<u>\$100.00</u>

Late fee will be noted on license copy. Letters will be sent to delinquent dog owner/keeper during August each year, notifying them that the dog has not been licensed and a late fee will be charged if not licensed on or before September 1.

SECTION 11 – Fees, Fines and Reasonable Costs

6. Failure to vaccinate dogs against rabies \$50.00

This \$50.00 fine will be assessed to any dog owner who received a violation from the dog officer for an unlicensed dog and the rabies vaccination date shown in the Town Clerk's records has expired.

ARTICLE 14 – Voted to amend the compensation of the Senior Citizen Property Tax Work-off Program adopted by town meeting vote on May 10, 2004, and amended by town meeting vote on May 12, 2008 as follows:

The section labeled Compensation shall be as follows:

The abatement shall be \$800.00. The number of hours worked shall be 100 (one hundred). Under special circumstances, such as illness or family emergency, and with the approval of the Council on Aging Director and the department head under whom the participant has worked, compensation of \$400.00 may be given to those who have completed at least half of the required hours. Abatement earned under the program will be credited to the senior's actual tax bill.

And:

The section labeled Administration, third paragraph, third line shall be amended to read:

The total cost of the East Bridgewater Senior Citizen Property Tax Work-off abatement shall not exceed \$33,600 per year.

Article 15 was presented by the Police Chief, John Cowan. Several voters voiced their concern about the article. One voter requested that due to the invasive nature of the article it be withdrawn. Chief Cowan agreed to withdraw the article at this time.

ARTICLE 15 – I move to amend the Town By-Laws PART 3 OFFENSES AND PENALTIES: VI: JUNK DEALERS.

PART 3 OFFENSES AND PENALTIES:

VI: JUNK DEALERS

By adding after the third paragraph the following:

The Chief of Police, or his designee, may at any time enter upon any premises used by a licensed buyer or seller of Second Hand Articles /Junk Dealers for the purposes of his business, ascertain how he conducts his business, and examine all articles taken in purchase or kept or stored in or upon said premises and all books and inventories relating thereto. Every such License holder, his clerk, agent, servant or other person in charge of the premises shall exhibit to such officer on demand any or all of such articles, books and inventories. Additionally the license holder shall give a weekly written report of all purchasing transactions relative to the license. Said report shall be given to the police department. This report will contain the items purchased including serial numbers if applicable as well as positive identification of the person that sold the merchandise to the license holder. Said positive identification shall include the person's full name, current address, date of birth, and driver's license or state ID number. Whoever violates any provisions shall be punished by a fine of not less than fifty nor more than three hundred dollars or by imprisonment for not more than two months, or both.

ARTICLE WITHDRAWN

Before Article 16 was voted Roy Gardner Chairman of the Planning Board stated that the request for this change was reasonable.

ARTICLE 16 – Voted to amend the East Bridgewater Zoning By-Laws Section 5.E. (h) relating to General Standards that apply to all ARPUD Developments by deleting in line 5 the words: "and erected on a concrete slab" and in the seventh line delete the words "six (6) feet by eight (8) feet with a height of eight (8) feet" and insert the words "ten (10) feet by ten (10) feet with a height of ten (10) feet."

MODERATOR DECLARED A 2/3 VOTE

Article 17 was presented by the petitioner. No funding source was designated in the article therefore the moderator stated it was an advisory article at best.

After some discussion a voice vote and then a hand count was taken. Article defeated

ARTICLE 17 – I move to repave Union Street. The cost will be approximately one million dollars. The road is very unsafe; due to potholes and uneven terrain.

ARTICLE DEFEATED

Before Article 18 was voted Roy Gardner, Chairman of the Planning Board stated that the Streets in the article were complete and recommended this article.

ARTICLE 18 – Voted to accept the following streets or portions thereof, Constructed by developers under the requirements of Subdivisions Control Law and as laid out by the Board of Selectmen on April 13, 2010 and a copy thereafter filed with the Town Clerk.

FLINT CIRCLE: As shown on a plan entitled: As built Street Acceptance Plan "Flint Circle" in East Bridgewater, MA For Town of East Bridgewater Planning Board, dated December 23, 2009 by Silva Engineering Associates, P.C.

SUMMIT DRIVE: As shown on a plan entitled: As built Street Acceptance Plan "Summit Drive" in East Bridgewater, MA For Town of East Bridgewater Planning Board, dated December 23, 2009 by Silva Engineering Associates, P.C.

ARTICLE 19 – Voted to amend the Town By-Laws by inserting the following "Administrative Fee Schedule" for the East Bridgewater Conservation Commission.

PART 4 – MISCELLANEOUS

VI. .	<u>East Bridgewater Conservation Commission Administrative Fee Schedule</u>

Town Clerk, CMC, CMMC

STATE PRIMARY ELECTION

SEPTEMBER 14, 2010

A legal meeting of the Town of East Bridgewater was held at the Gordon W. Mitchell Middle School, 435 Central St. on September 14, 2010 under a Warrant issued by the Selectmen and dated July 13, 2010 to bring in their votes for the State Primary Election. The polls were open from 7 am to 8 pm.

Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty and tabulators registered at zero. Instruction and penalty cards were posted according to law, as were specimen ballots. The keys to the ballot boxes were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Town Clerk, Marcia Weidenfeller: Precinct I – Warden; Marijo Martin (R), Clerk; Elaine Meuse (D), Norine Heath (D), Leila Curley (D), Sharon Farrell (U) and Howard V Post (U); Precinct II – Warden; Melissa Schrader (U), Clerk; Connie Symenow (R), Deanne Flint (U), Donald Almeida (D), William Andrews (U), and Barbara Sullivan (D); Precinct III – Warden; Lois Nelson (R), Clerk; Barbara Putt (U), Irene Andrews (U), Louise Almeida (U), Richard Crane (D), Arthur Thurston (U); Precinct IV – Warden; Donald Nelson (R), Clerk; Jennifer Turner (D), Claire Walsh (D), Theresa Rhode (R), Patricia McElroy (U), and Kenneth Yocum (U).

There were a total of One thousand four hundred forty-three (1,443) voters, these totals include forty-five (45) absentee ballots cast, nine (9) from Precinct I, six (6) from Precinct II, sixteen (16) from Precinct III, and fourteen (14) from Precinct IV. The total number of eligible voters at the time was eight thousand five hundred sixty-five (8,565). A total of 17% of the voters in East Bridgewater participated in the election.

Town Clerk, Marcia Weidenfeller, announced the vote at 9:45 p.m. The following was the result upon completion of tabulation:

STATE ELECTION
 NOVEMBER 2, 2010

A legal meeting of the Town of East Bridgewater was held at the Gordon W. Mitchell Middle School, 435 Central St. on November 2, 2010 under a Warrant issued by the Selectmen and dated September 28, 2010 to bring in their votes for the State Election. The polls were open from 7 am to 8 pm.

Ballot boxes were inspected by the Warden and Clerk of each precinct and found to be empty and tabulators registered at zero. Instruction and penalty cards were posted according to law, as were specimen ballots. The keys to the ballot boxes were given to the police officer on duty.

The following were sworn to faithful performance of their duties by Town Clerk, Marcia Weidenfeller: Precinct I – Warden, Marijo Martin (R), Clerk, Patricia McElroy (U), Checkers, Howard Post (U), Leila Curley (D), Sharon Farrell (U), and Norine Heath (D); Precinct II – Warden, Melissa Schrader (U), Clerk, Constance Symenow (R), Checkers, Dawn Flavell (U), Clare Walsh (D), Ethelyn Fowler (U), and Joyce Eastman (D); Precinct III – Warden, Lois Nelson (R), Clerk, Barbara Putt (U), Checkers, Barbara Sullivan (D), Irene Andrews (U), Deanne Flint (U), and Donald Almeida (D); Precinct IV – Warden, Donald Nelson (U), Clerk, Elaine Meuse (D), Checkers, Louise Almeida (U), Kenneth Yocum (D), Linda Libby (D), and Edward Fopiano (U). Extra poll workers were Dina Livingston (D), and William Andrews (U).

The total number of provisional ballots voted was four (4) and zero (0) were validated.

There were a total of Five thousand three hundred ninety-two (5,392) ballots cast. Included in this total were two hundred twenty (221) absentee ballots, forty-five (46) in Pre I, forty-four (44) in Pre II, eighty (80) in Pre III, fifty-one (51) in Pre IV. The number of total eligible voters at that time was eight thousand six hundred seventy six (8,676). A total of 62% of the voters participated in the election.

Throughout the day the warden, clerk and police officer on duty emptied the ballot boxes. The ballots were placed in a plastic case and according to MA General Laws were in full view of the voters.

Throughout the day the warden, clerk and police officer on duty emptied the ballot boxes. The ballots were placed in a plastic case and according to MA General Laws were in full view of the voters.

Town Clerk, Marcia Weidenfeller, announced the unofficial results at 11:00 p.m. The official results were certified on November 4, 2010. The following are the certified election results:

FOR THE PROTECTION OF PRIVACY OF EAST BRIDGEWATER RESIDENTS, THE NAMES AND DATES OF BIRTHS, DEATHS AND MARRIAGES WILL NO LONGER BE INCLUDED IN THIS REPORT.

The total number of births recorded in 2010 was 126.

The total number of marriages recorded in 2010 was 69.

The total number of deaths recorded in 2010 was 126.

Certified copies of vital records are available upon request at the usual fee. Please call the Town Clerk's Office (508) 378-1606 for further information.

Respectfully submitted,
Marcia Weidenfeller, Town Clerk, CMC, CMMC

REPORT OF THE BOARD OF REGISTRARS

To the Honorable Board of Selectmen and the Citizens of East Bridgewater.

The Board of Registrars held four (4) registration sessions in the year 2010. The current members are Marcia Weidenfeller, Clerk, Cecilia Chapman, Chairman, Roberta McCarthy, and Beverly A. Fanning.

Resident cooperation is greatly appreciated in the mandated yearly census. The local census information is used for determining federal and state reimbursements, legislative and local redistricting, veterans' benefits, voting purposes and student residency for state college tuition. The Board of Registrars wishes to thank the residents of East Bridgewater for their cooperation in returning the completed form in a timely manner.

The following are the figures showing the number of registered voters in each precinct.

ACTIVE VOTERS

Pre	Dem	Green Party USA	Inter. 3 rd Party	Green Rainbow	Lib	Reform	Rep	Unenrolled
1	479	0	0	0	12	1	294	1216
2	472	0	0	0	6	0	326	1460
3	605	0	1	1	9	0	341	1443
4	505	1	0	2	6	0	306	1190
Total	2061	1	1	3	33	1	1267	5309

The total number of voters for the year 2010 was 8676.

Respectfully submitted,

Marcia Weidenfeller, Clerk
Beverly A. Fanning

Roberta McCarthy
Cecilia Chapman, Chairman

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of the Town of East Bridgewater:

The Board of Selectmen is pleased to report on its actions and accomplishments during the year of 2010.

The Board, and indeed the entire community - faced yet another challenging financial year which saw reductions in federal and state aid. The economic downturn came closer to home than ever before, with Town employees and all our citizens asked to sacrifice in order to keep services and jobs. Despite these challenges, our citizens continued to look to the future and plan for a better tomorrow for all. The year 2010 tested the metal of our citizens to go forward with optimism and vision.

Our community bid a fond farewell to several beloved residents who passed away in 2010: George Braddock and former employee Edward S. Whitmarsh.

Peter Hamilton opted not to run for another term after serving on the Board for six years. The Board welcomed Robert M. Condon as a new member. The Board extends its thanks to Mr. Hamilton for his years of service and for his continued involvement in Town activities.

Other personnel changes included the retirement of Assistant Town Treasurer Carolyn Vinton. We welcomed Christine Pomeroy as the new Assistant Town Treasurer. Frederick Canducci retired as Plumbing Inspector after more than 50 years. The Board presented Mr. Canducci with a Certificate of Appreciation for his faithful service to the Town. Frederick Tully, formerly the Assistant Plumbing Inspector, was appointed the new Plumbing Inspector. Albert "Bud" Mondeau retired after 25 years on the Finance Committee, and was also presented with a certificate of appreciation. The Board wishes all the new retirees the best of health and happiness in their well-earned retirement.

Notable achievements of our dedicated employees included: Police Chief John Cowan's designation as President of South East Massachusetts Police Chiefs; the promotions of fire department employees Timothy Harhen to Deputy Fire Chief and David Tardie to Lieutenant; Fire Chief Ryon Pratt's expertise in working with the State to obtain MEMA funding in the aftermath of historic Spring flooding; John Haines and the entire DPW's expert efforts to assist residents during the flooding; the determined detective work of the Police Department in concluding two "cold" cases; The Board of Health's thorough H1N1 Flu Vaccination Clinic; Council on Aging Director Nancy Hill and her staff's tireless help to the seniors of the town despite inadequate facilities; The entire Town Hall staff for its dedication to assisting residents with any and all questions or concerns they may have.

The Board, along with Veteran's Agent Robert Charles welcomed home returning veterans Sergeant Taylor H. Poulin of the United States Marine Corps and Sergeant First Class Kris A. Holmgren of the United States Army. Mr. Charles presented the veterans with certificates of appreciation from the Board, and the Board again thanks them for their service to our country.

Upon the successful negotiations with Comcast (a ten-year renewal contract), the Cable Advisory Committee was dissolved.

The Town Hall continued to be a point of fascination for paranormal groups, and several requested access to conduct paranormal investigations. The purported "haunting" of the Town Hall, whether real or imagined, serves to add to the fabric of the community in true old New England fashion.

Town Administrator George Samia reported that the Town has an excellent bond rating from Moody's Investor Services that belies the fiscal difficulties that all Towns of the Commonwealth are enduring. The highly favorable rate of Aa3, with the low average interest rate of 2.28 percent is a most notable achievement by Mr. Samia and the entire financial team.

In an effort to mitigate cuts and keep the Town fiscally healthy, nearly all departments and department heads selflessly agreed to a two-year wage freeze. The psychological impact of this sacrifice cannot be underestimated: The Board is once again reminded that East Bridgewater is a Town that cares, and extends its thanks to all the unions and other personnel that agreed to the freeze.

At the Annual Town Meeting on June 7, the Town voted to appropriate funds for the costs of a feasibility study to examine potential improvement options for the High School in conjunction with the Massachusetts School Building Authority. As the summer progressed, it became apparent that the question of whether or not a new high school would be built would go before the Town at the February 7, 2011 Town Meeting.

The Town also came closer to finally having a Senior Center that would also serve as a Community Center with the approval of the Board to place an article on the February Town Meeting warrant to appropriate the funds for constructing the Center at Sachem Rock.

The Board wishes to thank Town Administrator George Samia, Administrative Assistant Cathy Johnson and Principal Clerk Christine White for their assistance and cooperation throughout the year.

The Board of Selectmen is grateful to all town boards, committees and departments for their continued cooperation and efforts, and extends a heartfelt thank you for all your hard work and dedication to the Town of East Bridgewater.

Respectfully submitted,
BOARD OF SELECTMEN

Theresa E. McNulty, Chairman
Joseph L. Miksch, Clerk
Robert M. Condon

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:

In 2010, the East Bridgewater Police Department saw the retirement of one officer and the promotion of Detective Paul O'Brien to Sergeant. Work to complete the new Emergency Management Room housed at the Police Station is just about done. Working with Superintendent Susan Cote and Principal Stan Pilch radio communication between all three schools were improved. The Bridgewater Tactical Team has merged into SEMLEC to provide a higher state of readiness with better equipment and training under the guidance of Sergeant Michael McLaughlin. Our Detectives continue to bring great results in Drug Investigation working under Sergeant Scott Allen with the WEB Task Force. With creative scheduling and dedication of officers and civilian personnel, we remain committed to our relationships with the schools and other town departments. Thank you to the Citizens of East Bridgewater for all their support.

The following are the statistics for 2010: Total calls for service 10,908

Sex Offenses	3	MV Accidents	96
Arrest	209	MV Stops	647
Juvenile Offenses	124	MV Citations/warnings	2000
Counterfeiting/Forgery	8	Disable MV	39
Warrants/Summons served	176	MV/Res. Assists Lockouts	187

Holdup	1	Complaints	84

My sincere thanks to the Board of Selectmen, members of the East Bridgewater Police Department and all other town departments for their assistance and cooperation during the past year.

Respectfully submitted,
CHIEF OF POLICE
John E. Cowan

REPORT OF THE PARTNERS HEALTHCARE AT HOME, INC.

To the Honorable Board of Selectman and Citizens of East Bridgewater:

On behalf of Partners HealthCare at Home, Inc., we are pleased to submit our annual report for 2010.

Partners HealthCare at Home, a non-profit Medicare certified agency, serves East Bridgewater residents, offering skilled nursing, physical, occupational, and speech therapy services, medical social work, nutrition counseling, and home health aide assistance. Partners HealthCare at Home, Inc. meets the highest standards of excellence fulfilling the mission of providing quality home health care to those in need.

In addition to providing home health services, Partners HealthCare at Home, Inc. offers many community health services including wellness programs, immunization clinics, health promotion screenings, and health education services.

Highlights of public health activities for 2010 include: communicable disease surveillance, successful seasonal flu/H1N1 immunizations; Tb test and readings, blood pressure clinics, glucose screenings, weekly office hours and monthly health clinics whereby residents may obtain health screening and counseling. PHH also serves as a depot for state distributed vaccine. The PHH public health nurse represents the East Bridgewater Board of Health at Mass DPH immunization Update, MA DPH Infectious Disease Update, Surveillance, Reporting Control, HIPAA Trained and maintains current CDC Emergency Preparedness / Bio-terrorism information as a resource to the community. Confidential communicable disease surveillance as mandated by the Massachusetts Department of Public Health is conducted on a regular basis.

Ongoing communication regarding public health activities and initiatives continues with the Board of Health, the East Bridgewater Office of Elder Affairs, the public schools and town agencies and departments. The following is a summary of the activities:

Seasonal Flu Immunizations	238	BP Screening	283
H1N1 Immunizations	236	Office Visits	455
Communicable Disease Surveillance	67	Glucose Screening	15
Clinics	19	TB Screening Tests/Readings	40/41

In addition, visits were made to East Bridgewater residents by PHH staff through Medicare, Medicaid, third party insurers, or free to those in need who meet the financial criteria. The array of regular, specialty and supportive services include:

Skilled Nursing	Physical Therapy	Occupational Therapy
Speech Language Therapy	Home Health Aide Services	Medical Social Worker
Education & Support Groups	Private Health Care Services	Case Management
Cardiac Care	Alzheimer's Disease Care	Rehabilitation Nursing
Parkinson's Program	Complex Wound Care	Diabetes Education
Oncology Care	Mental Health	Homemaker/Companion
Maternal Child Health		Telehealth

Partners HealthCare at Home, Inc. extends sincere appreciation to East Bridgewater for their support over the past years. It is through the contract with our local government/Board of Health and the generosity of area businesses, East Bridgewater Public Health Nursing Association volunteers, and our loyal townspeople that we can ensure the provisions of community health programs and medically necessary home services to those who need them.

Working together, we can successfully meet the health care needs of our community and enhance services offered to the residents of East Bridgewater.

Respectfully Submitted,
COMMUNITY HEALTH NURSE
Doreen Zeller, RN

REPORT OF PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report of our activities during 2010.

The Project is a special district created by the State Legislature in 1957, and is now composed of all Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees and mosquito-control professionals into a single agency with a broad geographical area of responsibility.

The 2010 season began with a high water table and above-average spring rainfall. Plymouth County was declared a federal disaster area because of the spring flooding in March and April. As we expected, the initial requests for spraying were numerous, but we were prepared for a busy season, unaware that it was going to be the worst Eastern Equine Encephalitis (EEE) threat in 100 years. Efforts were directed at larval mosquitoes starting with the spring brood. Ground and aerial larviciding were accomplished using B.T.i., an environmentally selective bacterial agent. More than 11,000 acres were aerial larviced using the Project plane. Upon emergence of the spring brood of mosquitoes, ultra-low-volume adulticiding began on June 3, 2010 and ended on September 18, 2010. The Project responded to 16,641 spray requests for service from residents.

In response to the continued threat of mosquito-borne diseases in the district, we increased our surveillance trapping, aerial and ground larviciding, and adult spray in areas of concern to protect public health.

EEE was first isolated from *Culiseta melanura*, a bird biting species, by the Massachusetts Department of Public Health in Lakeville on July 12, 2010. The season's total of 54 EEE isolates were trapped in Plymouth County as follows:

Species	Collection Date	Town	County	Agent
<i>Culiseta melanura</i> (2)	7/12/2010	Lakeville	Plymouth	EEE
<i>Culiseta melanura</i>	7/14/2010	Halifax	Plymouth	EEE

Culiseta melanura	9/08/2010	Bridgewater	Plymouth	EEE
Culiseta melanura	9/08/2010	W. Bridgewater	Plymouth	EEE

Based on guidelines defined by the Massachusetts Department of Public Health "Vector Control Plan to Prevent EEE" in Massachusetts, 10 Plymouth County towns were elevated from "Low Level" or "Moderate Level" for EEE risk category to "High Level" for EEE risk category. All other towns in Plymouth County Mosquito Project remained in the "Low Level" risk category. An aerial intervention was needed to effectively reduce human biting bridge vector mosquitoes as well as enzootic transmission of EEE.

Governor Patrick announced aerial spraying would take place on August 4, 5 and 6, 2010 in southeastern Massachusetts. Communities sprayed within the district included Lakeville, Bridgewater, Carver, East Bridgewater, Halifax, Hanson, Pembroke, Duxbury, Kingston, Plympton, Middleboro, Rochester and Mattapoisett to help prevent further spread of EEE-infected mosquitoes.

In 2010, there were two human cases: One lives within the county, the other traveled within the community. Two horses died as a result of contracting EEEV in Plymouth County.

West Nile Virus (WNV) was also found within the district. A total of four isolations of WNV mosquitoes were found. Culex pipiens bird biters were trapped in Halifax on June 30, and in Brockton on August 11; Culiseta melanura was found in Plympton on September 1 and in Lakeville on September 30.

We are also pleased to report that in 2010 there were no human or horse WNV cases in Plymouth County. As part of our WNV control strategy, a total of 59,251 catch basins were treated with larvicide in all of our towns to prevent WNV.

The public health problem of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health and the Massachusetts Department of Public Health. In an effort to keep the public informed, EEE and WNV activity updates are regularly posted on the Massachusetts Department of Public Health website at www.state.ma.us/dph/wnv/wnv1.htm.

The figures specific to the Town of East Bridgewater are given below. While mosquitoes do not respect town lines, the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of East Bridgewater residents.

Insecticide Application: Eight hundred fifty-eight acres were treated using truck-mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

During the summer, 1,918 catch basins were treated to prevent the emergence of Culex pipiens, a known mosquito vector in WNV transmission.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. Last year, a total of 86 inspections were made to catalogued breeding sites.

Water Management: During 2010, crews removed blockages, brush and other obstructions from 345 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the fall and winter.

Aerial Application: Larviciding woodland swamps by airplane before the leaves come out on the trees continues to be very effective. In East Bridgewater this year, we aerially larvicided 140 acres.

Finally, we have been tracking response time, which is the time between notice of a mosquito problem and a response by one of our inspectors. The complaint response time in the Town of East Bridgewater was less than three days with more than 484 complaints answered.

Mosquito Survey: Our surveillance showed that the dominant mosquitoes throughout the district were generally Culiseta melanura and Coquillettidia perturbans. In the Town of East Bridgewater, the three most common mosquitoes were Cg. perturbans, Cs. melanura and Cx. species.

We encourage citizens or municipal officials to visit our website at www.plymouthmosquito.com or call our office at 781-585-5450 for information about mosquito-borne diseases, control practices or any other matters of concern.

Respectfully submitted

REPORT OF THE BUILDING COMMISSIONER/ZONING ENFORCEMENT OFFICER

To The Honorable Board of Selectmen and the Citizens of East Bridgewater:

I hereby submit the Annual Report of the Planning/Building Department for 2010.

The Planning/Building Department has many diverse responsibilities. The Planning Board Administrative Assistant, Marcia Anapolsky, coordinates activity between developers and the Planning Board for new subdivisions and commercial projects. The Building Inspector oversees all building construction in Town and has regulatory responsibility in many areas, including building code compliance, zoning, architectural access, and local by-laws. Dorothy Simpson, Principal Clerk in the Planning/Building Department, also serves as the Principal Clerk of the Zoning Board of Appeals.

In 2010 this department issued 1140 permits:

382 Building Permits

177 Gas Permits

244 Plumbing Permits

337 Wiring Permits

The total number of permits issued by this department increased 28% over 2009. The estimated construction cost as indicated by the building permit applications was \$10,366,605.00 an increase of 31% over 2009. Fees for the building permits totaling \$111,737 were collected and turned over to the Town Treasurer, an increase of 11% over 2009.

The Building Department, in cooperation with the Fire Department, also performs annual inspections of public assembly buildings. Thirty one Certificates of Inspection were issued in 2010. Fees totaling \$1,240.00 were collected and turned over to the Town Treasurer for these required certificates.

I would like to thank the Town Administrator and the Board of Selectmen along with all Town Departments for their assistance and support. I would like to acknowledge the Wiring and Plumbing/Gas Inspectors for their indispensable role in making East Bridgewater a safer place to live and work. I would especially like to thank Marcia Anapolsky and Dorothy Simpson for their patience, hard work, cheerful attitudes and dedication to public service.

Respectfully submitted,

BUILDING COMMISSIONER/ZONING ENFORCEMENT OFFICER

Edward M. Gardner

REPORT OF THE INSPECTOR OF WIRES

To The Honorable Board of Selectmen and the Citizens of East Bridgewater:

I respectfully submit the report of the Inspector of Wires, for the year ending December 31, 2010.

This year there were 315 permits issued for wiring, totaling \$17,448 for fees collected. Some of the activity in 2010 consisted of wiring of new single family homes, additions and remodeling of existing homes along with homeowners upgrading their electrical services.

At this time, I would like to express my appreciation to all Town Officials, Town Departments and personnel for their assistance given to this department.

Respectfully submitted,
INSPECTOR OF WIRES

Kevin Greiner

ASSISTANT INSPECTOR OF WIRES

Albert Greiner

REPORTS OF THE PLUMBING & GAS INSPECTOR

To The Honorable Board of Selectmen and the Citizens of East Bridgewater:

I submit my report of activities for the year 2010.

On July 31, 2010 Mr. Frederick Canducci retired from the position of Inspector of Plumbing and Gas after more than 50 years of service to the Town of East Bridgewater. I would like to thank Fred for his many years of dedicated service making the Town a safer place in which to live and I wish him only the best in the future.

The calendar year 2010 showed a slight increase in activity for both plumbing and gas inspections. Permits were issued to journeyman, master plumber and gas fitters with valid licenses and inspections were conducted as required by the Mass Uniform Plumbing and Gas Code.

This year there have been 244 plumbing permits and 177 gas permits issued. These permits generated a total of \$21,650 in fees collected.

I wish to take this opportunity to thank my colleagues, Mr. Edward Gardner, Building Commissioner; Ms. Marcia Anapolsky and Mrs. Dorothy L. Simpson. Without their assistance my work would have been nearly impossible.

Respectfully submitted,
INSPECTOR OF PLUMBING AND GAS
Frederick Tully

REPORT OF THE PLANNING BOARD

To the Honorable Board of Selectmen and the Citizens of the Town of East Bridgewater:

The Planning Board Meetings are held on Monday evenings at 7 pm at the Town Office Building. Meetings are held in the second floor conference room. All Planning Board Meetings are open to the Public.

The Board acted on Form A Plans and Special Permits. In 2010, the Board acted on two Residential Subdivisions.

The following streets were accepted at Annual Town Meeting:

Flint Circle and Summit Drive.

The Board held a Public Hearing on April 12, 2010, on amendments to the Special Permit/Site Plan Rules and Regulations. The Public Hearing was closed on April 12, 2010. It was unanimously voted to adopt the amendments to the Special Permit/Site Plan Rules and Regulations.

A letter was forwarded to the Board of Selectmen to notify the Town Treasurer/Collector and Town Accountant to make the road bond funds for the following roadways available to the DPW to correct deficiencies, so that they may be accepted by the Town.

Theresa Terrace, Browns Crossing, Carol Circle and David Lane

The Planning Board recovered an Insurance Bond on Hereford Lane. The roadway is being worked on, correcting the deficiencies, under the direction of the DPW.

The Office has started a plan review process prior to scheduling a Public Hearing with the Planning Board. The plans are forwarded, reviewed and written comments are forwarded by the Building Inspector, Fire Chief, Police Chief, DPW Director, Board of Health Agent and the Planning Board's Consultant. The process is working well.

The Board thanks the above department heads for their cooperation and time.

The Office is still working on road bonds and Special Engineering Accounts held by the Town of East Bridgewater.

The Board would like to thank John W. DeLano and Associates and his staff and all of the Town Departments for their time and continued cooperation.

Respectfully Submitted,
PLANNING BOARD

REPORT OF THE ZONING BOARD OF APPEALS

Dear Honorable Board of Selectmen and the Citizens East Bridgewater:

The Zoning Board of Appeals is governed by Chapter 40A of the Massachusetts General Laws and the Town of East Bridgewater Zoning By-laws. The Board gives due consideration to promote health, safety, convenience and welfare, and to encourage the most appropriate use of land in order to conserve property values.

Applications may be obtained at the Board of Appeals Office in the Planning/Building Department located on the second floor of the Town Office Building.

The Board conducted 21 Public Hearings during the year of 2010, which consisted of the following:

	APPROVED	DISAPPROVED	WITHDRAWN	PENDING
VARIANCES	8	1	0	0
SPECIAL PERMITS	10	2	0	0
APPEALS	0	0	0	0
COMPREHENSIVE PERMIT – No applications submitted in 2010.				

The Zoning Board of Appeals meets on the first Wednesday of each month at 7 pm in the Town Office Building on the second floor, in the large conference room.

Richard E. Bachman retired from the Zoning Board of Appeals during this past year. Mr. Bachman was first appointed to the Board in July of 1983 and has given the residents of the town countless hours of valuable time in "giving due consideration to promote public health, safety, convenience and welfare, encouraging the most appropriate use of land, and conserving property values" for each and every case before the Board. Not to mention the numerous phone calls at home, site visits, many meetings with the Building Inspector/Zoning Enforcement Officer, while making sure every case had a fair hearing. His wealth of information, extensive knowledge of the Zoning by Law and Chapter 40A and his ability to communicate with applicants, abutters, town officials and colleague will be greatly missed. He was a wonderful teacher and we would like to extend our sincere appreciation for his 27 years of dedicated community service to the ZBA and the citizens of East Bridgewater.

We wish to thank all Town Officials, Town Departments and their staff for their help, interactions and cooperation in the past year.

Respectfully submitted,
ZONING BOARD OF APPEALS

Jerry T. Hartman, Chairman
Paul A. Garabedian, Vice Chairman
Gerry Leavitt, Clerk
Robert T. Looney, Alternate Member
Kevin Marchant, Alternate Member

2010 REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen and the Citizens of the Town of East Bridgewater:

Businesses and activities in the Town that are currently being serviced by the Sealer of Weights and Measures include:

- Markets and convenience stores
- Pharmacies
- Gasoline service stations
- Industrial sites
- Propane refilling stations
- Garden centers
- Package stores
- Farm stands

- Truck scales
- Youth sports
- Miscellaneous activities with scales or scanners

During calendar year 2010, a total of 165 measuring devices were inspected and sealed, four were adjusted, and seven were condemned and removed from service. One business with a large capacity scale moved out of East Bridgewater. All required inspections and sealing activities were completed by the end of the year. All town-owned equipment is in serviceable condition and is fully utilized by the Sealer in the course of his duties.

The Commonwealth also requires retail sales dispensers of motor oil to be licensed and the Sealer checks those licenses during his annual visit. The Sealer also investigates complaints relating to scales, scanners, and gas pumps throughout the year and requires corrective action.

The Sealer attends workshops and conferences necessary to maintain state certification and necessary expertise to accomplish his job.

All fees, in the amount of \$3030, collected by the undersigned, in relation to the appointed office, have been appropriately turned into the Office of the East Bridgewater Town Treasurer.

Respectfully submitted,
SEALER OF WEIGHTS AND MEASURES
Peter J. Jones

REPORT OF THE BOARD OF ASSESSORS

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:

Due to enacted changes under Chapter 59 of the Massachusetts General Laws, Assessors are now required to value all property in their community at full and fair market value annually. Market value for residential is determined by using comparable sales from the preceding year as of the first of January.

Since the town has adopted quarterly billing along with the provisions of Chapter 653 of the Massachusetts General Laws, all new construction is valued through June 30 of each year.

The BOA voted unanimously to accept the provisions of Chapter 73 Section 4 of the Acts of 1986 as amended by Chapter 126 of the Acts of 1988, authorizing an increase of 50% for Property Tax Exemptions.

The Board would like to acknowledge the Director of Assessing Cheryl Pooler for her professionalism along with the office staff consisting of Sherrie Bates, Jean Goyan, and Marilyn Kilm.

Lastly, the Board of Assessors invites citizens to contact the office at 508-378-1609 if they have any questions concerning their property assessments or how revaluation works. There are publications on tax exemptions and abatements the office can provide.

*TAX RATE RECAPULATION FISCAL YEAR 2010 TAX RATE \$12.38

REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen and the Citizens of the Town of East Bridgewater:

Organization of the Board was as follows:

Peter P. Spagone, Jr. Chairman
William Hubert, Clerk
Steven Salisbury, Member
Robert F. Philbrick, Health Agent
Susan Mulloy, Administrative Assistant

The Board meets every first and third Monday of the month at 6 pm in the Board of Health Conference Room, Town Hall, second floor.

Office hours are Monday 8:30 am – 8 pm; Tuesday through Thursday 8:30 am - 4:30 pm; Friday 8:30 am – 12 pm.

From January 2010 to December 2010 the Board issued 106 Disposal Works Construction Permits of which 10 were for new construction and 96 for repairs.

In 2010 the Board of Health processed 18 WPAT loans to residents for septic repairs totaling \$426,452. We are currently rounding out our eleventh round of funding from the program and plan to ask Town Meeting to vote on round 12 in the spring. East Bridgewater continues to be a model community for the WPAT program. Anyone interested in applying to the Loan Program can pick up a copy of the Homeowners Package at the Board of Health during regular business hours. The loan

is available to any resident with a failing system that occupies the home in need of a repair and is current with town taxes/bills. The home can not be for sale.

In 2010 the Board issued licenses to 48 Food Service Establishments. Each establishment is inspected bi-annually by Robert Philbrick to ensure compliance with state and local regulations.

This year the Rabies Clinic was scheduled in June to coincide with Dog Licensing at the Town Clerks office. In addition to the new date we changed the location to the Town Hall front lawn which allowed the animals to enjoy the outdoors while they waited and allowed residents to go license their dogs directly after they were vaccinated. Bonnie McArthur was our veterinarian this year with her daughters Erin and Dana assisting. The change in venue proved to be a success with the largest turnout of cats and dogs we have seen in many years. The Board plans to have this years clinic in June at the Town Hall and hopes for another successful event.

The annual seasonal flu clinic was once again conducted utilizing the towns Health Emergency Management Plan with the help of several community volunteers. The clinic was held at the High School, which is the primary dispensing site in the event of a health emergency. Turnout for the clinic was slightly lower than past years, most likely due to the fact that the panic regarding influenza was minimal. Leftover vaccine was offered at the Board of Health office to any resident over 18 who was interested.

Our Health Agent, Robert Philbrick continues to ensure compliance of all State and Local Codes for Title V Regulations as well as the Minimum Standards of Fitness for Human Habitation (State Sanitary Code).

Our Board of Health Nurse, Doreen Zeller is available on Tuesday, Wednesday and Thursday on a part-time basis at the Board of Health Office for Blood Sugar Screenings, Blood Pressure Checks, TB Testing, Flu Shots and nutritional counseling. Residents can call to schedule an appointment.

We would like to thank all Town Departments and Boards for their continued support and cooperation throughout the year.

Respectfully submitted
BOARD OF HEALTH

Peter P. Spagone, Jr., Chairman
William Hubert, Clerk
Steven Salisbury, Member

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen and Citizens of East Bridgewater:

The Conservation Commission meets the second and forth Tuesday of each month at 7pm at the Town Office Building, in the second floor Conservation Conference Room.

In 2009 the Commission held hearings for a total of 44 applications filed under the Wetlands Protection Act. Of the 44 applications 27 were Notices of Intent, 14 were Requests for Determination of Applicability, 2 were Abbreviated Notices of Intent and 1 were Abbreviated Notices of Resource Area Delineation.

With help and support from the Conservation Commission, Eagle Scout David Hart is working on the footbridge connecting East Bridgewater to Hanson as part of the Bay Circuit Trail.

The Commission would like to extend its sincere thanks to John and Joan DeLano and their staff for their continued hard work, dedication and support.

Respectfully submitted,
CONSERVATION COMMISSION

Claire Yocum, Chairperson
Judson Lyon, Vice Chair
Kelly Milne, Clerk
Elliot Jacobs, Member
Gary Petti, Member
Steve Sears, Member Craig Winsor, Member

REPORT OF THE PUBLIC LIBRARY

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:

Throughout 2010 the East Bridgewater Public Library continued to see a steady demand for Library Services. Library patrons continued to check out books, audiobooks, DVDs, CDs, and magazines. We saw an increase in downloadable eBooks this year as the eReader is rapidly becoming popular. Use of our free Internet service continues to climb; more and more patrons are using this service as a resource for employment searches, academic study, and leisure.

As with other Town Departments, budget cuts effective July 2010 resulted with the Library applying for waiver certification from the Massachusetts Board of Library Commissioners (MBLC). If the Library's budget continues to be cut, the Library is in serious jeopardy of being decertified. Decertification will result in patrons not being able to reserve materials from any Library in the SAILS Network, nor will the library be able to apply for state or federal grants.

The Library's Reading Club welcomed several new members. They continue to meet the last Tuesday of each month.

The Sachem Quilters brightened the Library in March with their display of colorful quilts and wall hangings.

The Library's community room was used by many groups for meetings and presentations. Those using the room are: the East Bridgewater Historical Society, the East Bridgewater Democratic Town Committee, Civil War Roundtable, St. John-Society of St. Vincent de Paul, the East Bridgewater Arts Council, North River Collaborative Family Network, Brownie Girl Scouts Troop, the Sachem Quilters, the East Bridgewater Garden Club, TOPS, Plymouth County Genealogists and the Hockomock Digital Photographers. Special thanks go out to the Hockomock Digital Photographers for their ongoing exhibit in the circulation area. In 2010 East Bridgewater Public Library welcomed the East Bridgewater Foodies Group. The group meets monthly and has guest speakers on a variety of topics including local farms, ethnic cuisine, proper table etiquette and food allergies.

After 25 years, Maureen Kenney announced her retirement from East Bridgewater Public Library. A celebration was held in her honor in December. Friends and former employees attended and wished Maureen best wishes in her future endeavors. We would like to thank Maureen for her dedication to the Children's Room and Library.

In September, the Library welcomed Cassie, a Hungarian Wired Vizsla from "Tail Waggin' Tutors". They are an organization which allows students to practice the skill of reading aloud to a therapy dog.

The Library was well served again by several of the town's senior tax abatement workers including Lenore Christensen assisting with book processing and Al Federico with carpentry. We are grateful for their dedication and generosity.

The Friends of the Library sponsored "Ringing in the Season", a Christmas celebration held at the library in December. The event attracted over 200 people and featured a local hand-bell group, a flautist quartet, and a trio singing Christmas classics. The Friends also held three book sales this year, patrons kindly donated books to the Library which were added to the collection or sold at the book sales. In March the Friends sponsored a presentation by Todd Forman entitled, "Historic Boston Statues". They also sponsored a return visit from local author Michael Tougaïs to discuss his latest book, *The Final Hours* in October. The Friends also purchased the New York Times Book Review and Book Page.

In 2010, the Library was awarded \$10,599.70 in State Aid to Public Libraries funds by the Massachusetts Board of Library Commissioners.

The East Bridgewater Public Library's Museum Pass Program continues to be popular with our patrons. Patrons are able to reserve these passes with a valid East Bridgewater Library card either online or at the Library. All passes and discount cards are made courtesy of individual and group donors to the public Library. We extend many thanks to all for supporting these worthy pass programs.

Discounted admissions are available to the following:

Buttonwood Park Zoo, New Bedford, courtesy of the Friends of the Library

Children's Museum, Boston, courtesy of the Friends of the Library

Children's Museum, Easton, courtesy of the Friends of the Library

Isabella Stewart Gardner Museum, Boston, courtesy of the Friends of the Library

John F. Kennedy Presidential Library & Museum, Boston, courtesy of the Friends of the Library

Massachusetts Department of Conservation & Recreation, State of Massachusetts

New England Aquarium, Boston, courtesy of the Friends of the Library

New England Sports Museum, Boston, courtesy of the Friends of the Library

Plimoth Plantation, Plymouth

Museum of Science, Boston

Roger Williams Park Zoo, Providence

Wheelock Family Theater, Boston

The Children's Room offered a full program of story times, crafts, and an exciting Summer Reading Program, Go Green at Your Library, to more than 400 children. Performers included: Spanish Story Time with Maureen Holbrook, weatherman Jeremy Reiner from WHDH, storyteller Karen Chase, Curious Creatures, magician Steve Rudolph and Toe Jam Puppets. We extend many thanks to those whose generosity made these programs possible and especially Bridgewater Savings Bank for its donation to our Summer Reading Program.

Thanks also go the following 2010 donors: Sachem Quilters, East Bridgewater Garden Club, MOMs Club of East & West Bridgewater; Plymouth County Genealogists; the East Bridgewater Historical Commission; TOPS #360; and the Hockomock Digital Photographers.

The entire month of February, the Public Library accepted toiletries & food donations for the East Bridgewater Emergency Food Pantry as payment for overdue fines. Through the kindness of many patrons, the Library once again made a significant contribution to this worthy cause.

The Board of Trustees and the Library would like to thank the many individuals and organizations who, though not named above, have given so generously to the Library this past year.

REPORT OF THE EAST BRIDGEWATER PATRIOTIC ACTIVITIES COMMITTEE

To the Honorable Board of Selectmen and the Citizens of the Town of East Bridgewater:

The purpose of the East Bridgewater Patriotic Activities Committee (EBPAC) is to plan and provide for appropriate Town representation and participation for all activities, functions and observations of a patriotic nature. This includes planning for and preparation for; and execution of Town Parades, exercises, ceremonies and participation for events such as: Armed Forces Day, Decoration Day, Memorial Day, Flag Day, Incorporation Day, Independence Day, Veterans Day and others. In addition, the Committee's responsibilities include maintenance of and provision for all the town's Patriotic displays, including monuments, memorials, squares, flagpoles and flags.

The EBPAC continues to work with other Town committees and local civic groups and service organizations to ensure that the Town of East Bridgewater appropriately fulfills its legal and moral obligations to the People of our community, state and nation through recognition of those who have given of themselves so that our Country could remain Free and achieve greatness for the benefit of all of its Citizens.

The following are highlights, enumerating some of the accomplishments of our Committee over the past year, 2010:

- On the morning of May 1, members of the committee took part in the reenactment in commemoration of Civil War Sergeant Harlow day, placing street flags on Plymouth Street and bunting on the buildings at Sachem Rock Farm.
- On Saturday morning, May 15th, American Flags were displayed along the street for the Support Our Troops road race.

- On Saturday morning, May 29th, members of the Committee; together with a group of Legionnaires from Post 91 and a team of Cub Scouts, Boy Scouts and Girl Scouts, plus Venturers, and their adult Leaders, marked the graves of all the Veterans in all town cemeteries with new American Flags, fulfilling the historical obligation of Decoration Day, the original precursor to Memorial Day.
- At 11:00 a.m. on Monday, May 31 the Committee, in conjunction with the Commercial Club and American Legion Post 91 hosted the 142nd Memorial Day commemoration; the 27th held on our Town Common. We sadly noted the passing of thirty four military Veterans from among our town residents: nineteen from World War II, five from the Korean War and six from the Vietnam War, plus two peacetime veterans, over the past year. Moving and respectful Exercises on the Common included music provided by the East Bridgewater High School Concert Band, the recitation of Lincoln's Gettysburg Address by Ivana Chan, and the haunting notes of "Taps" by buglers James Hurley and Sherri Fernandes, musicians at East Bridgewater High School. An American Legion honor guard rendered rifle salutes at each of the Veterans' memorial Monuments down flag-lined Central Street, and the people then adjourned to the Commercial Club where, after a brief ceremony hosted by president Frank Flores at the Peter Moskos memorial pavilion, a fine family style chicken barbecue provided by EBCC members was heartily enjoyed by all of those in attendance.
- On the evening of June 13 on the Town Common, the committee helped coordinate a Flag Day observation ceremony conducted by American Legion Post 91 with Cub Scouts from Pack 28, Boy Scouts from Troops 29 and 32, and Venturers from Crew 29, assisted by local musician Ted Haines. Included in the commemoration of Old Glory was the American Legion ceremony, the bugle call "To The Colors" and the appropriately solemn ceremonial disposal by fire of many old, faded, tattered and worn American Flags that had been removed from the town cemeteries and/or contributed by town departments and patriotic local citizens, a fair number of whom were in attendance to witness the event.
- On Thursday, November 11 the committee, together with American Legion Post 91, organized the 92nd annual commemoration of Veterans Day. The traditional Tri-Town Veterans Day Parade and Exercises were hosted this year in the town of West Bridgewater. The theme was "Land of the Free Because of the Brave." On a cold and windy, partly cloudy day, our contingent of marching units, as well as our Veterans, Selectmen, Police officers and Firefighters once again represented us proudly, The parade route began at our staging area on Brewster Road, then right onto North Elm Street, then left to West Center Street, left onto North Main Street to Town Hall. Roberta McCarthy served as parade Judge for our town. The Judges' Choice trophy was won by the Sons of the American Revolution Honor Guard, the Best Theme Float trophy was won by Magic Touch Nursery School, and the Best Marching Unit trophy was won by the Mass. Army National Guard 772nd MP Unit. The commemorative exercises took place on the Town Gazebo, where it was breezy and cold, but the speakers were relatively brief and their words both heartfelt and evocative, and the services were appropriately solemn and patriotic. A welcome Collation of tasty victuals and refreshments was served by a group of town volunteers and Girl Scouts and their parents in the function hall of St. Ann's Church; organized by Nancy Morrison and her committee, immediately following the ceremonies.

Again this year the Committee managed, on its small budget and with a good amount of volunteer help and a few donations, to maintain the town's flags (at Rowena Hobart park, at the Town Hall, on the Common and at the old Town Cemetery), and the Memorials, (the four dedicated Squares and the Bridge), refurbish our wreaths and make needed repairs to some of the Veterans monuments, including the timely replacement of all the Town Flags as they became faded, damaged or destroyed by the effects of our hot and cold, rainy and blustery and always unpredictable New England weather.

Our sincere thanks go to Superintendent of Schools Susan Cote; High School Principal Paul Vieira, the Custodial Maintenance department's John Roback; Music Department head Sherri Fernandes, the High School Concert Band and Jay Hurley, and the EBHS Vikings Band. Also, thanks go to our Veterans Services Officer Robert Charles, members of the Tree Department, the Park Department, the DPW, the Police Department and the Fire Department; the Selectmen, Cathy Johnson and Christine White, the Town Administrator, George Samia, Mrs. Joyce Francis and all the town officials, departments, other committees and volunteers who helped out and worked with us throughout the year.

Thanks also to C.N. Smith Farm, Mr. John Brooks, the Service Organizations of East Bridgewater, and the Citizens of our Town, without whom we could not have achieved the successes of the past year. We look forward to working with and for all of you again throughout 2011, when the town of Bridgewater will host the Tri-Town Veterans Day Parade, Exercises and Collation on Friday, November 11.

We cannot let this opportunity pass without once again soliciting for a few good citizens to join with us in the important work of providing for Patriotic observances and the maintenance of our patriotic monuments and memorials and our Veterans' graves in East Bridgewater during our 188th year. We note that there are still a few vacancies on the Committee, and we would be happy to hear from any other resident Citizens who may be interested in working with us. Your letter of

interest, delivered to the Selectmen's Office, will be acted upon promptly and forwarded to us. Our Town needs your help, and our cause deserves our best efforts. Thank you.

Respectfully submitted,
PATRIOTIC ACTIVITIES COMMITTEE

Charles J. Francis, chairman
Charles M. Gilbert, vice chairman
Patrick Duggan
Frederick J. Coe, clerk

REPORT OF THE COUNCIL ON AGING

To the Honorable Board of Selectmen and Citizens of East Bridgewater:

It is with great pleasure that I submit the Council on Aging's 2010 annual report.

In 2010, 2852 people over the age of 60 chose to make East Bridgewater their home. This is an increase of 78 residents over last year. In the 50-59 age range, there was an increase of 34 to 2123 over last year's annual town census numbers. It is easy to see that the demand for the services provided by the Council on Aging will only increase in the future as the "baby-boomers" require services for themselves, an aging parent, neighbor or friend.

The Council on Aging saw several membership changes in 2010. Susan Muir was appointed to the Council by the Board of Selectmen as a full member in January. In May, Eileen McNulty was appointed as an associate member. Susan Frazier, who had capably served as the Council's secretary for several years, tendered her resignation effective July 1, 2010 and Eileen McNulty was then appointed by the Selectmen as a full member also effective July 1. The Council reorganized and elected Susan Muir as its new secretary with Robert DiFazio remaining as chair and B. John Morawski as treasurer. In October, Sandra King Lucca was appointed as a new associate member. The Council wishes to thank Susan Frazier for her years of service to the Council on Aging and wishes her well in her future endeavors.

Realizing that socialization and physical activity are important in keeping older adults mentally well, independent and socially connected, the Council on Aging offers a variety of educational presentations, activities, trips and events. Activities Coordinator Susan L. Prendergast introduced several new offerings in 2010. Making a re-appearance after an absence of many years was the popular "Day of Beauty" and lunch at the Southeastern Regional Vocational Technical High School. The Valentine's Day Social was replaced by the 1st Annual Intergenerational Party held during February school vacation at the Commercial Club. In total, ninety-nine people including grandparents along with their children and grandchildren enjoyed spending time together while also enjoying family entertainment and pizza. In October, a new Whist group was formed and continues to meet every Monday at the Council on Aging. The COA also continues to offer weekly cribbage and "Busy Hands" groups as well as Tai Chi and Exercise/Line Dancing classes held off site. For \$1.00 residents can enjoy a meal and conversation on Thursdays at the Gordon W. Mitchell Middle School when school is in session. Specific dates are listed in our monthly newsletter. Thank you to Old Colony Planning Council for funding the senior meal program.

The Council on Aging wishes to express its continued gratitude to Bill Hubert and the Commercial Club for the use of their facility throughout the year, not only for the Intergenerational Party, but also for the Volunteer Appreciation Dinner, Watermelon and Ice Cream Socials, S.A.L.T. Breakfast, Halloween party and the Senior's Prom, sponsored each year by the East Bridgewater High School Key Club.

Susan also serves as the Council on Aging's newsletter editor and each month she expertly creates a newsletter filled with information about upcoming Council on Aging presentations, trips, activities and articles of particular interest to older adults, their families and caregivers. The newsletter is mailed or hand delivered to every household in East Bridgewater with a resident over the age of 60. It is published by Liturgical Press at no cost to the town and can be viewed online at www.seekandfind.com. If you prefer to view your newsletter online, please let us know and we will take you off our mailing list. Also, please let us know if you are traveling and we will take you off the mailing list and reinstate you when you return. If you have suggestions for future trips or events, or would like to place an item in the newsletter, please contact Susan at the Council on Aging.

In the spring, Kelley A. Long, Client Services Coordinator, attended S.H.I.N.E. (Serving the Health Information Needs of Elders) training and graduated in June. Kelly and Nancy were both busy counseling residents during Medicare's open enrollment period from October 15 through December 31. There also continued to be a large number of residents aging into the Medicare system who were seeking information on supplemental and Medicare D plans. The Council on Aging continues to urge residents approaching the age of 65, and in need of Medicare supplemental insurance and prescription drug

coverage, to become informed about the process well before that coverage is needed. The Council on Aging also assists disabled residents of any age with health insurance enrollment and trouble shooting. Please call the Council on Aging at 508-378-1610 to make an appointment if you are in need of information.

Also new in 2010 was a Walking Club which began meeting one day a week in July and increased to two days a week per participant request. The Club continued meeting into the month of December and the walkers hung up their sneakers only after the cold and snowy winter weather set in. The group plans to start meeting again next spring and new members are always welcome. The telephone reassurance program also began in July. Anyone interested in receiving a morning phone call and conversation from this office on specified days is asked to contact Kelley.

As the only social service agency in town, the Council on Aging provides assistance to residents of any age with Fuel Assistance and S.N.A.P. (Supplemental Nutrition Assistance Program) applications. In 2010, the COA assisted over 200 individuals and families with applications to these very beneficial programs. This year, the Council on Aging was fortunate to receive a financial contribution from the East Bridgewater Charitable Committee of the Bridgewater Savings Bank. This contribution was allocated to be used to assist residents with urgent and/or unexpected financial needs. We are very grateful for this assistance for our residents. In addition, East Bridgewater is also fortunate to have several organizations that assist with emergency financial funds and the COA was able to help numerous residents due to the generosity of these organizations. We thank them for their continued support.

In April, Gerd "Gerry" Voss joined the COA staff as a van driver and in September, Gerald "Gerry" LaPierre accepted another driving position. The Council on Aging would like to welcome our "new" Gerry and also thank Gerry LaPierre for his many years of dedicated service to the older residents of East Bridgewater, first as a Meals on Wheels volunteer and then as an employee. Gerry has graciously agreed to continue on with us on an as-needed basis. John "Jack" Sullivan continued to drive our van and professionally provide much needed transportation to some of East Bridgewater's older and disabled residents who depend on this service. The Council on Aging provides transportation for weekly shopping trips and for COA sponsored events. In addition, the Council on Aging continues to provide transportation to older and disabled residents for individual appointments in East Bridgewater and surrounding communities through Dial-A-Bat. On Wednesday and Friday of each week, rides to Boston can also be arranged for medical appointments only. Residents over the age of 60 or those of any age who have either a documented permanent or temporary disability can use Dial-A-Bat services. Residents can arrange a ride by calling the COA at least 24 hours in advance of the needed ride.

The Council on Aging is fortunate to have 122 volunteers who, in 2010, gave the town of East Bridgewater 3278 hours of their time. Our volunteers delivered 7167 Meals on Wheels to 46 homebound East Bridgewater residents. They also assisted the staff with cleaning of the office, emptying of our trash and recycle bins, data entry, answering phones and other general office work. Our volunteers also helped with events, prepared our monthly newsletter for mailing and delivered the newsletters to various locations throughout town. We can not thank these volunteers enough for unselfishly giving of themselves and their time. We could not function without them.

Once again in 2010, the Senior Property Tax Workoff Program provided 42 jobs for qualified East Bridgewater residents. These individuals worked in various town departments including the East Bridgewater Public Library, all 3 East Bridgewater schools, in the town hall for the Selectmen and Assessor's office, Police Department, East Bridgewater Cable Television, the Department of Public Works and the Council on Aging. Each worker is required to work 100 hours to earn a \$750 abatement on their property tax bill. This program continues to be very popular with the number of applicants far exceeding the number of available jobs.

The TRIAD/S.A.L.T. (Seniors And Law Enforcement Together) Council sponsored its fifth annual breakfast in November with seventy-six in attendance. Invited speakers were representatives from the S.H.I.N.E. Regional Office who gave a presentation on Medicare and how it will be impacted by Health Care Reform. In March, the S.A.L.T. Council sponsored a workshop aimed at assisting residents with completing "File of Life" forms and safeguarding items in their wallets or purses and in the fall, the S.A.L.T. Council once again sponsored "Project Snow" in which a bucket of sand/salt was delivered to a senior's home upon request. The Council would like to thank Boy Scout Troop 29 and its leaders for helping to keep some of our older residents safe at home by providing the "muscle" for the project and delivering over 30 buckets.

In May, the second annual K-12 Technology Expo was sponsored by the East Bridgewater Schools' Technology Task Force. The event included a light dinner followed by student presentations, teacher demonstrations and ten "Technology Help Sessions" for seniors throughout the month of May. Thank you again to Mrs. Maureen Tucker, Director of Information Services and Instructional Technology for the East Bridgewater Public Schools, for organizing this event.

During the summer, the Council on Aging began the long process of updating our emergency contact list. Please be aware that a COA representative may be calling you for information that could be used in case of emergency. The Council on Aging does keep a list of the names and addresses of all East Bridgewater residents over the age of 60 which is provided by the Town Clerk. Any information we receive from you will only be shared with the appropriate emergency personnel in the East Bridgewater Police and Fire Departments should an emergency arise.

The Senior Center Building Committee's nine members continued throughout the year to work diligently to bring a Senior/Community Center to East Bridgewater. It was a year with many challenges for the Committee but, thanks to the hard work of its members and town officials, the "Center at Sachem Rock" project was put out to bid in December with a town meeting and vote anticipated in February of 2011. The inadequacies of the current COA building have been well documented and the Committee is hopeful that residents will recognize the need for such a facility in East Bridgewater. In anticipation of a new home for the Council on Aging, The Friends of Seniors, a small but determined fundraising group, continued to work throughout the year to encourage, initiate and sponsor programs and services for the older adults of East Bridgewater. The Council on Aging is grateful for their continued financial support. If you are interested in joining the Friends of Seniors in their endeavors, please contact the Council on Aging.

Once again, the Standish Sportsman's Club and the Lion's Club each sponsored a BBQ for the senior residents of East Bridgewater. As in past years, approximately 100 attended each of these annual favorites. Thanksgiving dinners were offered to East Bridgewater residents by the Halifax Country Club and the Whitman Knights of Columbus. The East Bridgewater Public Health Nursing Association, as in years past, provided holiday assistance to underprivileged East Bridgewater families while Duval's Pharmacy, in conjunction with Home Instead, Inc. of East Bridgewater, gave "Secret Santa" gifts to 40 East Bridgewater senior residents from those who donated to their "Giving Tree".

In addition to the organizations and agencies noted above, the Council on Aging is grateful to the East Bridgewater Fire and Police Departments, the Department of Public Works, Town Administrator George Samia and the Board of Selectmen and its staff, the Town Assessor, Treasurer, and Town Clerk and their staffs, the Board of Health, the East Bridgewater Housing Authority, East Bridgewater Community Television, the East Bridgewater Public Schools and the East Bridgewater Public Library for all their help throughout the year. We also wish to thank the Massachusetts Executive Office of Elder Affairs, Old Colony Elder Services, Viking Recreation Center, the East Bridgewater Food Pantry, St. Vincent de Paul Society, the Kiwanis Club, the Salvation Army, Whitman (South Street) Dunkin Donuts, East Bridgewater Veteran's Agent Robert Charles and Mr. Bedford Wheaton who continues to volunteer every year to prepare taxes for low to moderate income East Bridgewater residents.

The Council on Aging encourages seniors and other interested residents to visit the Council on Aging office during business hours Monday 8 a.m. to 6 p.m., Tuesday through Thursday 8 a.m. to 4 p.m. and Friday 8 a.m. to noon.

Respectfully Submitted,
COUNCIL ON AGING

REPORT OF THE DEPARTMENT OF PUBLIC WORKS

To the Honorable Board of Selectmen

As the Director of Public Works for the town of East Bridgewater I am pleased to present our department's annual report for 2010.

Highway & Land Management Division

During 2010 the Highway & Land management division oversaw several significant roadway improvement projects including; the repaving of the entire length of East Street and Union Street, the reconstruction of Allen Street after new water main was installed, and sections of both David lane and Church street were repaved after drainage improvements were made.

More than 80 miles of roadway were swept to remove debris and roadsides were mowed 4 times during the growing season to control vegetation growth. As part of our management plan to address East Bridgewater's storm water, our staff also cleaned over 800 catch basins, repaired 23 catch basins and cleared more than 225 feet of drainage pipe.

Seventy-five hazardous trees were removed from our road sides and an additional 34 were pruned to reduce risk to the motoring public. For the first time in several years the DPW was able to renew a commitment to the future by planting 24 street trees at various locations through out town.

The very successful Adopt-an-Island program continued to grow with over 13 islands currently being maintained by private entities. The DPW continued to work to improve the on-going maintenance programs for all town athletic fields and green spaces, undertaking a significant rehabilitation project at the Leland Farm soccer Complex to strengthen the overall condition and quality of our turf while reducing reliance on pesticides.

Water Division

The Water Division is happy to report that after some five years of study, consultations, meetings and work, the first phase of the system upgrade plan has been completed. This consisted of construction of two iron and manganese removal treatment plants and the water main infrastructure to connect these with the town's existing water distribution system via cross country water mains. The second part of the project was the start of replacing the old unlined cast iron water mains which have plagued us all over the years due to the heavy mineral buildup. The DPW has replaced now seven miles of old six-inch iron pipe with twelve-inch ductile pipe and as an upgrade have put in hydrants approx 300 feet apart in areas where hydrants sometimes were a 1000 feet or more apart before, as well as hooking up more than 300 house and commercial connections to the new mains. Through the summer of 2010 the final connections were completed on Bedford Street, and the project was completed with the cleanup and final overlay of the road.

The Division repaired eight major water main breaks, renewed 24 service connections, and eight services repaired, 15 hydrants were repaired, and 8 hydrants were replaced due to age. The division's personnel have started a hydrant upgrade program identifying hydrants that for a variety of reasons need to be replaced, also painting the hydrant and color coding to represent the main sizes for easy identification of the water main size, for the Fire Department personnel.

In the late winter and early spring of 2010 the division worked with contractors to completely clean out the inside of the Highland street tank that had acquired quantities of the iron and manganese we had all seen in the pipes due to the constant surging of the system through the 2009 and 2010 water main construction period.

Division personnel have also continued with the usual ongoing programs, including cross connection surveying and testing, hydrant flushing, which must still be done to continue clearing the lines of mineral sediments that have built up over the last 100 plus years in some areas. The water meter upgrades, and the DEP and EPA required testing from monthly, to quarterly, to yearly tests that are required testing for over 300 plus possible contaminants.

The town is expecting the 10-year visit from the Insurance Service Office, whose personnel examine the Town's water system and fire service. This is done every 10 years and the information gathered can have impacts on property insurance rates. As we reported at the beginning of this report, the DPW has made a large impact on our town's system capability in these areas with much improved pressures, flows and increase in available hydrants, for fire protection in previously lacking areas.

Finally we want to thank all departments, commissions and boards for all their assistance on the everyday tasks as well as the projects that we have undertaken, and especially to the citizens who have been understanding of all the issues that we have all endured throughout this work.

Solid Waste & Recycling Division

In 2010 East Bridgewater's residents generated and disposed of 3,476 tons of solid waste, which equals about 1,600 pounds of trash per household. Of that "waste," nearly one third - 1,092 tons of paper, plastics, tin, aluminum and cardboard - were recycled.

On behalf of the entire staff of the DPW, I would like to thank the Board of Selectmen, the Boards and Commissions we work with, and the residents of the community for their assistance and support over the last year.

Respectfully Submitted,

DEPARTMENT OF PUBLIC WORKS
John B. Haines, Director

REPORT OF THE FOREST WARDEN

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:

Calendar year 2010 proved to be another quiet year in terms of brush/woods fires as this department responded to 14 outside fire calls. These fires burned approximately 7 acres of grass, trees and/or brush.

During the state-allowed Open Burning Season - which runs on a yearly basis from January 15 through May 1 - this department issued more than 800 outside burning permits which resulted in more than 1,500 renewals.

I thank all of the firefighters, and other Town departments for their assistance to me in the performance of my duties as Forest Warden.

Respectfully Submitted
FOREST WARDEN

Ryon T. Pratt

REPORT OF FIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:

The year 2010, like years past, proved to be a challenging year in terms of required department responses to emergencies and the available budget to meet the needs of these responses. The department saw an increase of more than 13 percent in emergencies over 2009. Also, for the purposes of comparison 2010 emergencies were an increase of more than 56 percent from that of the year 2000, ten years ago. It is clear that the fire department continues to get busier in meeting the emergency Fire/Rescue/EMS needs of our community.

The department responded to 2385 emergencies during 2010 as follows:

MA/NFIRS#	CATEGORY	2010 RESPONSES
100-160	Fires Inside/Outside Structures	72
300-363	Rescue/EMS Incidents	1,617
400-471	Hazardous Conditions	162
500-571	Service Call	275
600-671	Good Intent Call	50
700-746	False Alarm/False Call	201
800-814	Severe Weather/Natural Disaster	2
900-911	Special Incident	6

Total Incidents 2385

A total of 1224 patients were treated/transported in fire department ambulances during the year. Fees collected for various statutory or local option permits were submitted to the Town Treasurer in the amount of \$11,236.

As many may recall historic rain events of March 2010 caused thousand of dollars in damage to our community. Within days of the events, I along with elected representatives of the Town and officials from the Massachusetts Emergency Management agency (MEMA) and Federal Emergency Management Agency (FEMA) were in the community assessing damage and coordinating the response effort to assist residents with the impact of these storms. During the height of the storms, this department with assistance from the Police Department, DPW and others responded to over 100 emergencies within a 48 hour period. Thankfully there was no loss of life in connection with the storms and the damage caused was limited to replaceable items. I would like take this opportunity to thank those departments and administrators who assisted during this difficult time. And a special thanks to the firefighters of the East Bridgewater Fire Department for great work under very difficult conditions.

I would like to thank the Board of Selectmen, Town Administrator, Finance Committee, Department Heads and the citizens of this community for your support and assistance during 2010.

Respectfully Submitted,
FIRE CHIEF

Ryon T. Pratt

REPORT OF THE EAST BRIDGEWATER HOUSING AUTHORITY

To the Honorable Board of Selectmen and Citizens of East Bridgewater

The regular monthly meeting of the East Bridgewater Housing Authority is held on the second Tuesday of the month at 9:00 a.m. in the Conference Room at 100 Prospect Street. All meetings are open to the public and all interested citizens are welcome. The telephone number at the Prospect Street office is 508-378-3838.

Office hours at 100 Prospect Street are:

Monday 8 am – 2 pm

Tuesday 8 am – 2 pm

Wednesday 8 am – 4 pm

Thursday 8 am – 12 pm

Friday 8 am – 2 pm

Office hours at Riddell Road are by appointment only.

The Housing Authority staff includes: Nancy J. Morris, Executive Director; Leslie A. Lundstrom, Administrative Assistant; Martin Luttrell, Maintenance Mechanic/Laborer/Supervisor; and Anthony Gareri, Maintenance Custodian/Laborer. The Grievance Panel member is Marcia Weidenfeller and Steven Brown is the alternate member.

Major capital projects and improvements this year were:

- The Housing Authority entered into a Contract for Financial Assistance Public Capital Improvement Program with the Commonwealth of Massachusetts for \$219,912.00 to be paid over a five year period.
- The American Recovery and Reinvestment Act Weatherization Assistance Program awarded \$45,623 to replace the heaters in the family units on Prospect Street.
- A Contract for Financial Assistance for \$13,200 for the procurement and installation of 60 low flow toilets was approved by the Department of Housing and Community Development under Energy and Sustainability Initiatives.
- New washers and dryers were installed at 38 Riddell Road and 100 Prospect Street.
- All Housing Authority tenants have signed the new Form Lease for State Aided Public Housing which was re-issued due to regulatory and legislative changes.
- The Housing Authority has adopted the Governmental Accounting Standards Board for financial reporting.

We would like to extend our heartfelt thanks to all town departments and employees for their support to the tenants and staff of the Housing Authority.

Submitted by the Commissioners,
EAST BRIDGEWATER HOUSING AUTHORITY

Joseph Dutcher, Chairman
Larry K. Davidson, Vice Chairman
James Wolfe, Treasurer
Sandra Luddy-Ross, Assistant Treasurer
Robert Hogan, Clerk

REPORT OF THE AGRICULTURAL COMMISSION

To the Honorable Board of Selectmen and Citizens of East Bridgewater.

Mission Statement

"To preserve and promote agricultural based economic opportunities in East Bridgewater. Act as advocates, educators, mediators and/or negotiators on issues relating to farming. Work for the preservation of agricultural lands. Pursue initiatives related to creating a sustainable agricultural community."

Meeting Schedule

The Agricultural Commission meets on the third Wednesday of each month at 7 p.m. in the Conservation Commission room at the East Bridgewater Town Hall. No meetings are held in the months of September and October due to the harvesting season.

Right to Farm By-law

At the annual Town Meeting held on Monday, June 7, 2010, the "Right to Farm By-law" was passed. This by-law presented by the Agricultural Commission of East Bridgewater will help preserve our farms.

General

The Commission has been identifying the amount of agricultural land in East Bridgewater for the purpose of protecting and preserving these lands and for funding from Federal, State and private agencies.

Since the passing of the right to Farm By-law, the Agricultural Commission has been working on a list of farmers that would like to be involved in our Buy Local program to be launched for the 2011 season.

Respectfully submitted,
AGRICULTURAL COMMISSION

Board Members:

Caryl Guarino, Chairman
Cameron Woodard, Vice Chairman
Allen Hiltz, Secretary

Lawrence Allen, Treasurer

REPORT OF THE HIGH SCHOOL PRINCIPAL

Dear Mrs. Cote,

I am pleased to submit my annual report for the year 2010 as principal of East Bridgewater High School.

Academically our students continue to be successful. Members of the class of 2010 and 2011 were successful on the MCAS exam. Preliminary data for the class of 2012 indicates an increase from last year in the number of students who scored in the advanced and proficient areas. Almost 90% of the 2010 graduates are going on to some form of higher education. What is even more encouraging is the quality and caliber of the schools and programs our students are being accepted into. It is a testament to everyone's hard work and dedication.

There were many significant additions and transfers to our staff and faculty this past year. Retirements were as follows: Michael Dunphy and Christina Mason in the English department and Dan Ryan in the math department. Due to budget cuts the following people were not rehired: Kate Kershaw and Barry Spillberg, science department; Alicia Sousa, foreign language; Taryn Boyer and Susan MacDonald, guidance; Donna Moniz, special education aide. Christine Evans, guidance director and Steven Femino, physical education teacher resigned to take jobs in other districts. Marie Grable, school psychologist, replaced Nancy Miller as pupil personnel director; Lauren Delahanty was hired to fill the school psychologist job.

As money was returned to the budget in late August we were able to restore the following positions: Susan MacDonald, guidance director; Marykate Moniz, foreign language; Jeff Ghiloni, physical education; Theresa Harmon, science; and Kerri Forbes, English. Annemarie Meaney, guidance counselor, transitioned from the middle school as did aide Wayne Reissenfelder. New additions to the special education department are Mark Krikorian, aide and Matthew Donovan, teacher.

The FY '10 school year began with 570 high school students. The breakdown by grade and gender is as follows:

GRADE	FEMALES	MALES	TOTALS
9	85	80	165
10	57	73	130
11	63	60	123
12	67	81	148
TOTALS	272	294	566

As always the heart of what happens in a school is what occurs inside the classrooms every day. As I walk the halls, talk to teachers, students, and parents, and observe the instruction inside the classroom, I continue to be impressed and pleased with the high quality of instruction that is happening every day at the high school. Our English classes expanded requirements on student writing. Students achieved the minimum of ten significant writing assignments and in several cases students wrote upwards of fifteen significant writing experiences. Students who return from college to discuss their courses often report that they are well-prepared to succeed in college writing as a result of their high school writing experience.

In math, we introduced a new course called Integrated Math 1 to provide students with weak algebra skills the opportunity to strengthen algebra 1 skills as well as set the foundation for geometry. This should ensure successful fulfillments of EPPs and passing grades on the MCAS.

A number of exciting things went on in the science department. All science teachers have begun to bring some technology into the classroom through the use of Web-Based learning with the COWS (Computers on Wheels) and the SMARTBoards. Fieldtrips were taken to support the learning going on within the classroom. These field trips included visits to the Taunton River and the new East Bridgewater Water Treatment Plant by Ms. Jaroche and the Environmental Science students. Students studied water before and after the treatment process to determine its quality. Oceanography students fundraised and planned a trip to two local marine environments: Plymouth and Duxbury beaches. On this trip, students were exposed to data collection and specimen collection techniques. In addition, they were able to travel to two beaches that provided them with completely different tidal and current patterns to compare. AP Biology students traveled to Bridgewater State College to use the state-of-the-art biotechnology labs. Students were shown how to collect DNA data from a crime scene and then analyze the data to determine the victims and suspects of the crime scenario. The students used techniques such as Gel-Electrophoresis and The Polymerase Chain Reaction to isolate and duplicate DNA sequences. The Green Club, with the help of science teachers Jaroche and Kershaw, ran a 'go green' activity during the fourth annual March Madness week. The goal of this activity was to collect tin and plastic to be recycled. Each class and the teachers would receive one point per bottle or can that they collected. Over the course of a week, the students and staff collected over fifteen 55-gallon trash bags worth of recyclable material.

The changeover to two years of United States History has benefited our students as they explore and learn about the history of our country. Given the depth and breadth of the content, adequate time to cover all important material had always been a problem. The expanded time has allowed for additional and more in-depth study of important issues central to our nation's government and history. The social studies department has continued to promote opportunities for students to participate in academic and civic programs which allow them to gain insight into the workings of our legal and political system. Students from United States and World History classes participated in the annual Veterans of Foreign Wars Patriotic Audio Essay Competition. This year's topic was "Does America Still Have Heroes?" Students were required to submit a written essay and a recorded reading of the essay which were judged by members of VFW Post 2125. This year's winners, announced in March, were: first place Paul O'Brien, second place Jillian Bates, and third place Jessica Jezard. Winners attended a banquet in their honor on April 11th and were presented with their awards.

The size of our library collection is nearly perfect for our school population. We own 19.59 books per student, and 20 books is the standard. But unlike most other school libraries, we belong to the SAILS library network, which gives us ready access to the holdings of over 70 local public and college libraries. Our students have 24-hour electronic access via the library website to thousands upon thousands of newspaper, magazine, and journal articles as well as reference books and more through nearly forty databases. Even better, EBHS teachers routinely work with the librarian so that our students know how to use these databases. Ninety-six percent of our online catalog records are legitimate and readable, which is excellent; in 2007, our catalog integrity was below 80%. This means that what students see when they search our catalog on the Internet accurately reflects what they find on the shelves. East Bridgewater High School has the second highest circulation-per-student rate among SAILS member high schools for at least the third year in a row.

Senior district auditions for the SEMMEA Senior Music Festival were held in January. This is a very tough set of auditions for students and is a difficult festival to get into. Students from across the southeastern part of the state audition and they only take a certain number for each ensemble. We had 10 total students audition. I am very happy to announce that this year we had SIX students make it into the chorus; Robert White (senior) and Elizabeth Lach (sophomore) were selected to participate in the 2010 All State Music Festival. This is an honor that EBHS has not had since 2006 and we are extremely proud of Robert and Elizabeth for all of the hard work that went into preparing for this audition.

Sophomore Kelly DeMolles won a silver key for art in the 2010 Boston Globe Scholastic Art and Writing Awards. Out of 10,500 entries there were approximately 300 silver key awards. Her work was on display at the state transportation building in Boston through March 19th. As student art awards go, this is a prestigious accomplishment and she is the first person at EBHS to win in a decade. Kelly's mom won honorable mention for a similar series of drawings when she attended EBHS.

Forty-eight juniors were inducted into the EBHS National Honor Society in April. Mr. Timothy Fowler represented the school committee to welcome and congratulate the students. Mrs. Kelly Bitinas, assistant principal, was the guest speaker. Students were given their certificates and pins by Principal Vieira and NHS advisor Denise Robertson. The ceremony was followed by a reception for the family and friends of the new members. In these times, when students are negatively portrayed in the media, it is refreshing to attend events like this one.

Forty-two members of the Class of 2010 received John and Abigail Adams Scholarship letters. These students scored at the Advanced and Proficient levels on their grade 10 MCAS tests in English Language Arts (ELA) and mathematics AND had a combined score that places them in the top 25% of the graduating class in the district.

Student Senate continues to be a vital part of the East Bridgewater community. Members organized a drive in an effort to aid the victims of the earthquake in Haiti; they were able to send \$428.47 to the American Red Cross in support. They also baked goods to be sent, in conjunction with the town "Support Your Troops" group, to those East Bridgewater residents serving in the military overseas. The annual Red Cross Blood drive was another outstanding success. Student senate once again surpassed its goal – of the 260 individuals who presented, 121 pints of blood were collected! The American Red Cross praised the maturity and level of commitment on the part of the student senate members who worked so diligently to ensure the success of the drive.

East Bridgewater High School again hosted a program to help parents and students make sense of their financial aid award letters. The "After the Acceptance" program was piloted last year through the Massachusetts Educational Financing Authority (MEFA) and was open to EB and neighboring communities to take advantage of help with financial decision-making.

The Massachusetts Department of Education has put out a tool for schools to compare themselves to other "like" schools across the commonwealth. East Bridgewater's percentage of ELA students in the Advanced and Proficient categories ranks number two, on a list of ten "like" schools, while our math scores rank number one. Over the past five years, close to 83% of our ELA MCAS scores have been in the advanced and proficient categories. The state average for the same time period is close to 73%. Of the 40 members of the Class of 2010 who attended the ELA MCAS review session, 38 earned a proficient or advanced score. This is a 95% success rate. Also, 73% of our science MCAS scores over the past three years have been in the advanced and proficient categories. The state average over the same period was close to 61%.

The high school administration would like to thank the police, fire, highway and town hall administrative departments for all of their cooperation and assistance throughout the year. We receive much help from the other town departments and this is very much appreciated. I would also like to thank our tireless and dedicated school committee for their support and efforts on behalf of our students. If our needs appear great, it is the consequence of years of limited budgets, societal influences and the challenges of our changing role in the technological and global environment. We can and will handle all challenges with the continued support of the community. Our shared vision is that all students can be successful. This is evident in our mission statement – At East Bridgewater High School, our mission is to create a positive learning environment in which all members work collaboratively to pursue excellence and to maintain high standards in academic and civic pursuits, and in which all members promote respect for others, develop skills in a variety of disciplines, and encourage life-long learning.

Respectfully submitted,
HIGH SCHOOL PRINCIPAL

REPORT OF THE PRINCIPAL OF THE GORDON W. MITCHELL MIDDLE SCHOOL

Mission: The Mitchell Middle School, as a learning community, is dedicated to maximizing the opportunity for each student to fully challenge her/his intellectual capacity while developing social responsibility and a healthy physical and emotional well-being.

Dear Mrs. Cote:

I am pleased to submit the annual report for the Gordon W. Mitchell Middle School.

New Staff: The following staff members joined our school this year and have been welcome additions to our community.

Jason Rasher	Guidance Counselor
Richard Murphy	Grade 6 Math
Sandra Tramontano	Occupational Therapist
Christine Doran	Teaching Assistant
Jeremy Brisson	Teaching Assistant
Jennifer Harris	Library Assistant
Cathleen Edgar	Technology Assistant

Student Achievement: One of our core values is that "learning is the central purpose of school." Student achievement is our focus and our MCAS scores suggest that we are making progress. The majority of our test scores reflect the highest level of proficiency that we've ever obtained. More importantly, our growth scores place us in the top 20 percent of the state. We have spent a great deal of time analyzing our scores to determine how to improve our instruction and meet the individual needs of our students.

Curriculum: We have worked throughout the year to develop assessments which align to our curriculum. Our curriculum work has focused implementing the following initiatives:

- EmPOWER writing at each grade level including:
 - Training all staff in the process.
 - Developing reading and writing prompts in science and social studies.
- Extending the reading series which had been previously implemented at the Central School.
- Integrating technology throughout the school.

Special Education Programs: Our two self-contained classrooms started four years ago. These programs continue to improve. They are a benefit to the children because we are able to keep them educated with their peers when otherwise they would be placed out of district. In addition, our town saves a considerable amount of money.

After School Remediation: We have established homework centers and MCAS remediation classes at each of the grade levels. Approximately 550 children have benefited from these programs.

Reading Specialist: Our staffing was reorganized three years ago so that our remedial services (grades 4-6) are being provided in small groups rather than through in-class support. In assessing the progress of these students we have determined that they have shown significant gains. Our expectation is that by the end of 6th grade, if not earlier, all students will be in mainstream classes. Unfortunately we have had to reduce math services through budget cuts and we anticipate that our reading specialist will be reduced from the budget.

Reading Committee: The 2010-2011 Reading Committee, consisting of 8 staff members, meets monthly to bring forth ideas to improve literacy instruction and promote a love of reading in the school as well as the community.

The following activities and initiatives have taken place (or will take place) this school year:

- A number of classrooms participate in D.E.A.R. (Drop Everything and Read) time.
- The 4th Annual Mitchell Middle School Literacy Night will be held in March.
- The Grades 4-8 Summer Reading Program has been in effect since the Summer 2008 and will be again this year. The Summer Reading lists are currently under review.
- Accelerated Reader is being used by a number of classrooms as a means to assess student comprehension of independent and classroom novels. It is also used as part of the Summer Reading Program.
- A staff reading bulletin board has been dedicated to teachers sharing and rating the books they are reading outside of school. This is promoting collegiality and a love of lifetime learning and reading.

School Climate: In order for learning to be the central purpose of school we do a great deal to promote a climate that is conducive to learning. To this end we have adopted respect and responsibility as our other core values. The students truly embody these values in their day to day actions. There are a number of things that we have done to foster an environment that maximizes the potential of our students.

Rachel's Challenge: With the support of EBPIE we were able to bring this fantastic program to our school. We have used this program as a launching point to promote respect and responsibility in our school. A number of activities have taken place and more are planned which will help is meet the challenge which Rachel set for us.

School-Wide Activities: With the help of our PTO and Student Council we have provided many night activities for our students. In addition to our musicals and dances we had a Haunted House. Between the after school programs and night activities we are hoping that students and families will see our school as a second home.

Community Service: Throughout the year our students have been involved with fundraising for various charities. Student Council has been particularly active in volunteering for various causes. They have collected supplies and raised money for EB families and the local food pantries.

Mrs. Cote, I am confident that our school continues to make progress. The students and staff are wonderful to work with and the community has been extremely supportive. I also want to thank you and the entire Central Office staff for their help.

Respectfully submitted,
MIDDLE SCHOOL PRINCIPAL

Stan Piltch

REPORT OF THE PRINCIPAL OF THE CENTRAL SCHOOL

Dear Mrs. Cote,

It is with great pleasure that I submit the Annual Report for 2010 as Principal of the Central School. The enrollment, as of October 1, 2010, is listed by grade level:

Preschool	84	Kindergarten	161
Grade One	179	Grade Two	185
Grade Three	182	TOTAL:	791

The Central School mission statement "to work cooperatively with the home to provide a quality education for each student, including the development of effective communication, problem solving, and decision making skills, while promoting positive self-image and respect for ourselves and others" gives us direction. The East Bridgewater educational philosophy guides us in planning for almost 800 children in preschool through grade three. "We believe...the quality of our schools should be measured by the degree to which they successfully provide for the uniqueness of the individual learner by creating learning experiences which accommodate the variety of learning rates, learning styles and personal needs of our students within a spectrum of public school programs."

We take great pride in the education that our staff and faculty provide for our students and it's with pleasure that we added new faces to our teaching team. Mrs. Susan Collins was appointed as a Preschool Teacher. Ms. Collins received her Bachelor of Arts in Psychology from Stonehill College, a Master of Science in Education with Severe Special Needs, as well as Educational Specialist, Behavior Education from Simmons College.

Mrs. Cathleen LaLiberte was appointed as a Special Education Teacher. Mrs. LaLiberte has her Bachelor of Arts in Political Science from Bridgewater State College and has her Massachusetts Certification in Moderate Disabilities (Prek-8). Mrs. Christine Jacobs was appointed as a Reading Specialist. Mrs. Jacobs received her Bachelor of Science from Syracuse University in New York and Masters of Speech-Language Pathology from MGH Institute of Health Professions in Boston. Mrs. Carmen Fortes was appointed as the Health Teacher. Mrs. Fortes has her Bachelor of Science in Psychology from University of Massachusetts at Boston. She has her Massachusetts Certification in Health and Consumer Sciences. Mrs. Colleen Meade was appointed as the Computer Teacher. Ms. Meade received her Bachelor in Science in Business Administration from Suffolk University and Masters of Education in Technology from Bridgewater State College. Mrs. Susan Keady was appointed as a part-time Speech and Language Pathologist. Mrs. Keady has her Master of Science in Communicative Disorders-Speech/Language from the University of Wisconsin.

Miss Rebecca Skerry, Miss Rachel Pooler and Miss Kaitlin Morelli were appointed as a Teaching Assistants. Miss Skerry has her Bachelor of Science in Elementary Education from Keene State College, and Miss Pooler has her Master's in Education

from Bridgewater State College. Miss Morelli has a Bachelor of Science Degree from Bridgewater State College. Mr. Lou Porazzo was appointed as a custodian.

The basic foundation for each child's educational success is established at the Central School. We have recently implemented a new reading series that focuses on the five essential components of early literacy (phonemic awareness, phonics, fluency, vocabulary, & comprehension). The Scott Foresman Reading Streets program was purchased for all students in K-3. The children receive daily math instruction through the Envision Math Program, which includes the developmentally appropriate hands on approach to learning math that the children of this age need. This program is closely aligned to the Massachusetts Frameworks as well as the National Mathematics Standards. A lot of work has been done for Science and Social Studies instruction to be integrated through the Reading and Language Arts curriculum. The DIBELS (Diagnostic Indicators of Basic Early Literacy Skills) is given to all students at a minimum of three times per year to assess reading skills that the students have learned and ones that need to be taught. Students are progress monitored throughout the year to measure progress and monitor growth.

Our Guidance Counselor, Mrs. Gerri Quigley, and our School Psychologist, Mrs. Sheila Pero are very involved with student placement, social and emotional development and crisis intervention situations. They are an essential component in our communication among the teachers, students, and parents to assure the success of the whole child.

All students in grades 1-3 receive special subject instruction five times per week. The children receive special subject instruction on a weekly basis from Mr. Justin Traut, Art Teacher, Mr. Michael McMahon, Physical Education Teacher, Mrs. Susan Layton, Music Teacher, Mrs. Colleen Meade, Computer Teacher and Mrs. Carmen Fortes, Health Teacher.

We have again seen positive community support and town department cooperation in many areas. Mrs. Tanya Allen is our Parent Volunteer Coordinator who organizes special events and parental involvement in our school. Mrs. Kim Bouffard and Mrs. LoriAnne Orofino serve as our Room Parent Coordinators under the direction of the Central School PTO. The Central School PTO has been in existence for the past 7 ½ years. The PTO has been responsible for hosting many events that bring families into the school (Holiday Shop, Brockton Rox, Central School's Got Talent, and a variety of guest speakers). The PTO also established a monthly newsletter and a website (www.ebcspto.org). The PTO works under the direction of the executive board members, Mrs. Kathy Yuskevitz, Mrs. Emily Oliver, Mrs. Melissa Dona, Mrs. Susan Oliveira, and Mrs. Stacy Coyne. The Central School Council has been very active this year with Mrs. Dawne Wolfe, Co-Chair. The Council develops our annual School Improvement Plan and was instrumental in developing and implementing an after school program and wellness policy. The council members are Mrs. Bonnie Cruz, Mrs. Ann Marie Giampietro, Mrs. Susan Sullivan, Mrs. Robin Foley, Mrs. Amy Rinker, Mrs. Deanna Lynch, and Mr. John Haines. As always the school is an extension of the town and it's important to have a positive working relationship with the town for the safety and well being of our children and programs. I would like to extend my sincere appreciation to all department heads that have contributed to our success including John Haines, DPW, Ryon Pratt, Fire Chief, and John Cowan, Police Chief.

This is a very large school, which is cleaned and maintained by the Head Custodian, Mr. Larry Witnauer, and his staff, Mr. Donald Alger and Mr. Lou Porazzo. They have a great deal of pride in the building, which is obvious from the appearance of the school. In the cafeteria, Mrs. Joanne Kahaiyan, our manager and her staff, Mrs. Christine Frost, and Mrs. Beata Boucher prepare several hundred meals daily. The very competent school secretaries, Mrs. Linda McStowe, Mrs. Dianne Asci, and Mrs. Lynne McKenney are always extremely helpful and friendly to the staff, parents, and students. The school runs efficiently and effectively due to their knowledge and dedication behind the scenes.

I would like to express my sincere appreciation for the dedication and commitment of our Assistant Principal, Mrs. Catherine Byrne. She is responsible for many different tasks including student discipline, schedules, special education evaluations, and substitute teachers. Mrs. Byrne is a dedicated, intelligent and very conscientious Assistant Principal.

The central office personnel with yourself, Ms. Patricia Lugo, Business Administrator, Mrs. Maureen Tucker, Technology Director, and Mrs. Marie Grable, Pupil Personnel Director, are always committed to helping us perform our daily responsibilities. The School Committee with Chairperson, Mrs. Elizabeth Hayes, works many hours to ensure an excellent school system for the citizens of East Bridgewater.

In closing, I truly enjoy my position as the building principal. I am excited about the changes that have occurred and look forward to many rewarding years in the district.

Respectfully submitted,
CENTRAL SCHOOL PRINCIPAL

Gina E. Williams

REPORT OF THE HIGH SCHOOL ATHLETIC DIRECTOR

East Bridgewater High School Athletics continues to excel as they have captured numerous South Shore League and Tournaments Championships. The following teams either one the regular season title or their end of year tournament: Football and Basketball Cheerleaders, Boys Track, Girls Track, Golf and Girls Soccer.

The girls' indoor track team finished third in the Eastern Athletic Conference (EAC) with a 4-2 record. Kylene Carey continued her outstanding track career as she shined in the 55 meter hurdles and long jump.

The boys indoor track team finished the season with a 5-1 record against very tough competition. The 5-1 finish was good for second place in the EAC. The boys did capture the Division IV State Relays Championship for the second time in three years.

The girls' basketball team finished their season with an 8-12 record coming up two games shy of qualifying for the MIAA state basketball tournament. Of the eight wins the Norton game at home stands out as Kelsey Purcell hit six 3-pointers to pace the lady Vikings to victory.

The boys' basketball team finished winless for the 2009-2010 season. The boys fought hard all year but just couldn't get over the hump.

The Basketball Cheerleaders have once again won the South Shore League Championship which qualified them for the regional tournament in Taunton. At the regional competition the girls finished in second place and advanced to the state competition which was held at Wachusett Regional High School in Holden. The girls would go on to finish fifth to cap yet another good season for the winter cheerleaders.

The EAB ice hockey team finished the regular season with a record of 11-7-2 and qualified for the MIAA Division III Tournament.

The 2010 softball team finished 10-8 on the season which qualified for the MIAA State tournament. The girls advanced to the second round by defeating Fontbonne Academy. They then lost to a powerful Bellingham team 8-5.

The varsity baseball team finished the regular season at 10-10 to qualify for the MIAA tournament. The boys had to win three of the last four to qualify and knocked off Abington and Cohasset the top two teams in the South Shore League to get in. With only two senior, Ryan Gavin and Brian Sullivan, the Viking look to be strong in the future.

The boys track team won their fourth consecutive South Shore League Championship. They ended the season 6-0 in the South Shore League and 7-0 overall. The Vikings competed in the South Shore Principals' Meet held at Norwell High School and finished tied for third behind New Bedford and Brockton. The boys also competed at the All-State meet held at Westfield State where they set two school records in the 4 x 100 and the 4 x 400 relay.

The girls' track team captured another South Shore League title as they have gone undefeated for the year. This is the third title in a row for Head Coach John Davison and the girls. The girls dominated the South Shore League winning every meet by a considerable margin. Kylene Carey was the brightest of stars for the Vikings as she completed a "perfect season". Kylene came in first place in all four of her events all season long. She competed in the low hurdles, the high hurdles, the long jump and the triple jump. The girls had another great showing at this year's Heptathlon held at Notre Dame Academy in Hingham. As a team they finished fourth out 38 schools competing and individually Kylene Carey finished 4th out of 114 competitors.

The varsity girls' tennis team finished 8-12 on the season. They were two wins shy of qualifying for the tournament. With only seven girls on the team and a very difficult schedule the girls showed tremendous heart all year long.

The varsity golf team completed the season with a 13-5 record and qualified for the MIAA State Tournament. Although the team did not advance beyond the South Sectionals, it did go on later to win the annual South Shore All League Tournament, which was hosted at Ridder Farm Golf for the second time in three years. Coach Cronin wishes to thank the entire staff and owner Jon Ridder of Ridder Farm Golf for their support and generosity through out the golf season. Mr. Ridder, an East Bridgewater graduate, donates the golf course and all practice facilities to the Viking golfers for the entire season. In addition, he has allowed the entire South Shore League to run its league championship tournament there for free for two out of the last three years. Without his help and generosity it would be impossible to run a golf program for the kids of East Bridgewater High School.

The boys cross country ended the dual meet season with an 8-1 record and a second place finish in the South Shore League. The team had an outstanding performance at the League Championship meet at Strawberry Valley, finishing first overall. The Vikings were led by Tanner Picklus who finished first, Brendan Gareri who finished fourth and Kraig Boates who finished eighth. Sophomore Tanner Picklus set a new course record on the Church Street course this year at 16.14; breaking the old mark held by Mike Coles at 16.34. Junior Brendan Gareri also broke the old record, running 16.26. With their leadership, it looks like another banner year for Viking Cross Country next year.

The Girls' Cross Country team finished 8-1 during the regular season to finish second in the league. The girls' only loss came to Norwell High School, whose girls' team has not lost in over ten years.

Under first year coach Jamie Hulke the Field Hockey team finished with a record of 6-5-5 and qualified for the MIAA Division II tournament. The girls' were awarded the South Shore League Sportsmanship Award.

The football team finished with a record of 9-2 to finish their best season in ten years. The Vikings led the league in scoring along with shutting out three opponents. They outscored their opponents 318 to 121. Season highlights include big wins over Abington 22-12 and knocking off undefeated Rockland on Thanksgiving Day.

The Cheerleaders won the South Shore League Championship with an impressive showing at South Shore League Cheer Competition which was held at Abington High School. Despite having no seniors and only a few juniors the girls then went on to win the South Sectional Regional Competition at Dartmouth High School.

The Girls soccer team captured the South Shore League Title for the first time since 1984. The girls finished the regular season with an impressive 16-2 mark. The girls earned the top spot in the MIAA Division 2 South Tournament, but unfortunately were upset by Ashland High School by a score of 2-0. The Lady Viking led Eastern Massachusetts in scoring behind magnificent play from Rachel Blauner, Hailey McKean, Kelsey Purcell, Rachel Fassanello, and goalie Katie Lynch.

The Boys varsity soccer team had a very successful season finishing 10-8-1 overall. This record was good enough for 3rd place in the South Shore League and qualified the team for the Division III South Sectional tournament for the first time in three years.

Respectfully submitted,
HIGH SCHOOL ATHLETIC DIRECTOR

Shawn Tarpey

Awards and Honors

South Shore League/ EAC All-League Player

Basketball Girls – Olivia Harvey

Basketball Boys – Jason Rivard

Indoor Track Boys – Brenner Campos and Tim Judge

Indoor Track Girls – Hailey McKean and Kylene Carey

Hockey – Chris Brandon

Baseball – Casey DeAndrade and Ryan Gavin

Softball – Melissa Souza and Jenna Cullivan

REPORT OF THE DIRECTOR OF MUSIC

It is the mission of the East Bridgewater Public School Music Department to provide all students with opportunities to explore their creative nature and develop individual talents in a positive, nurturing environment to instill a life-long respect of the integral nature of music to the human experience.

Dear Mrs. Cote,

The music department is pleased to submit the annual report for 2010.

I am pleased to introduce the following certified music educators as our teaching staff for the students of the East Bridgewater Public Schools. At the Central School, Susan Layton is in her ninth year as a music faculty member in East Bridgewater. Sue teaches classroom music for grades one through three. At the Middle School, Raymond Ponte is in his eighth year as a music teacher in East Bridgewater. Mr. Ponte teaches all bands (5th grade beginner band, 6th grade band, 7th and 8th grade concert band, and the middle school jazz band) at the middle school. In addition, he teaches instrumental group lessons during the day with grades six, seven, and eight, and the 5th grade beginner lessons before school. Mr. Ponte is also the instructor of the high school Jazz Band ensemble. I, Sheri Fernandes, am in my third year of teaching at East Bridgewater High School and as director of music. I am currently the high school band and choral director and teach the high school music electives ("Listening: an Introduction to Music", "History of Rock and Roll" and "Music Theory I & II"). I am also the director of the co-curricular Rhythmix Jazz Chorus, Armonia Pop Chorus, and the director of Musical Theater. Kate Bertelli joined our staff in the July 2009 and is now in her first year as a full time teacher at the middle school. Ms. Bertelli currently teaches all general music classes for grades four through eight and the choruses at all grade levels from four to eight.

The music department recognizes the outstanding accomplishments of many of our students in their acceptance and participation in local and state music festivals in 2010:

MMEA All-State Music Festival

Elizabeth Lach and Robert White

Southeast District Music Festival

Senior Level

Elizabeth Lach, Nicolette Mingels, Kory Muscato, Erin Rapp, Kasey Villirilli, Robert White - Chorus

Southeast District Music Festival

Junior Level

Bridget Irving, Juliana Child - Chorus

Duncan Barton, Austin Hopkins, and Tayla Monturio – Band

South East Massachusetts School Bandmasters Association

The S.E.M.S.B.A. Music Festival

Senior Level

Ericka Chaves, Kory Muscato, and Cody Wakeman – Chorus

Austin Hopkins – Band (flute)

South East Massachusetts School Bandmasters Association

Junior Level

Bridget Irving – Chorus

Duncan Barton, Noah Hopkins, and Jocelyn Mingels – Band

Southern New England Honor Band
Taylor Hathaway and Victoria Sviokla

UMASS Amherst Honor Band
Allen Hover and Victoria Sviokla

Instrumental and Vocal National High School Music Awards

The John Phillip Sousa Band Award – Tayla Hathaway
The Louis Armstrong Jazz Band Award – Brenner Campos
The Luther Churchill Music Award for Band – Victoria Sviokla and Cody Wakeman
The National Choral Award – Erin Rapp and Robert White

For the first year, the music department with the help of the EBMPA hosted the annual Tri-County Choral Festival on January 15th and 16th 2010. We had over 150 students from eight area high schools come to EBHS and participate in a choir under the direction of Tianxu Zhou from Rhode Island College and UMass Dartmouth. It was a very successful festival.

Sheri Fernandes, Ray Ponte, and Kate Bertelli all attended the annual Massachusetts Music Educators Association All-State Convention and Conference in Boston. The convention was held on March 18th, 19th, and 20th at the Seaport Hotel.

The Rhythmix Jazz Chorus performed at the annual MAJE Jazz Festival held at WPI on April 7th. They had a strong performance and were awarded a silver medal.

Susan Layton, Central School music teacher, led the entire third grade in a vocal concert held in the high school auditorium on Tuesday and Wednesday morning, April 8th & 9th. The concert was attended by grades one and two, as well as family members of all the performers. This was a wonderful opportunity for the performers and the audience alike. Congratulations to Mrs. Layton for this most ambitious undertaking.

The high school music department held the High School Spring Concert on Wednesday evening, April 14th at 7:00 in the high school auditorium. The program featured the hard work of all high school musical ensembles. This event also included the Tri-M induction ceremony at which five new members were inducted into the group. They were Austin Hopkins, Christopher LeCours, Tayla Monturio, Laura Norment, and David Petti.

On Friday, April 16th the members of the music honor society, Tri-M, hosted a benefit concert for the "Rock the Arts" foundation. They raised \$250 at the event.

On May 6th, the middle school Jazz Band performed at the MAJE Southeastern Middle School Jazz Festival at Stoughton high school. The students performed beautifully and received a silver medal for their efforts. One of our students, Nathaniel Tellen, was recognized out of all of the other students in division B for the "Outstanding Musician" award.

The East Bridgewater Music Parents Association and music department held the annual "POPS" Concert at the middle school on Friday evening May 7th, and Saturday evening May 8th 2010. These concerts featured every vocal and instrumental group in the middle school and high school from grades four through twelve. This event is one of the Music Parents Association's largest fund-raisers of the year.

The high school concert band performed at the annual East Bridgewater Memorial Day Ceremony on the Common at 10:00 AM on Monday, May 31st.

The senior recital was held on Tuesday, May 25th at 7:00PM at the high school. Senior members of the music department showcased their hard work in solos, small ensembles, and bands. Students coordinated each of their own performances for the event. The show concluded with a small reception for the students provided by the Tri-M Music Honor Society.

In June, the High School Chorus performed for the Senior Awards Night on June 2nd. The Concert Band also performed along with the seniors from the Chorus at the annual graduation ceremony on Sunday, June 6th.

The undergraduate student recital for students in grades 9-11 was held on Tuesday, June 8th at 7PM.

Also in June, the middle school hosted their spring concerts. On June 1st, the 4th, 5th, and 6th grade students held their concert during the day for the school and again at 7:30pm that night. On June 10th, the 7th and 8th grade students had their concert at 7:30PM. Middle school awards were presented that night.

On June 4th, the 7th and 8th grade band and chorus along with the High School Concert Band and Chorus performed at the Great East Festival. The students performed for adjudicators and received valuable feedback on their performances. Both high school ensembles and the middle school concert band received GOLD medals for their performances and the middle school chorus received a SILVER medal. Following the performance all of the students attended Canobie Lake Park for an afternoon of recreation and celebration.

In September, the music department started its performance schedule early in the season. Marching band, under the direction of Ms. Kate Bertelli, held band camp the third week of August. The band this fall was very small due to a large senior class. To allow for growth, the decision was made to not compete. As the season progressed, the group slowly grew in

numbers. We continued this growth by adding Indoor Percussion back to our list of co-curricular music ensembles. This ensemble has been very popular with our students and has kept the students involved with marching percussion and pit ensemble through the end of the marching band season.

Along with the marching band, three other extracurricular music ensembles began their rehearsal and performance schedules this fall. The Rhythmix Vocal Jazz Ensemble began rehearsals in late September with Mrs. Sheri Fernandes as director. The "Armonia Pop Choir" began rehearsals in early October. Also, the high school jazz band, once again under the direction of Mr. Raymond Ponte began rehearsing later in the fall.

Adding to the growing list of co-curricular music ensembles, EBHS began offering "Music Theater Workshop" to its students interested in performing scenes and music from musicals. The group has been a big success and participation has steadily increased throughout the year.

On October 17th, over 120 choral students from Central School, GWMMS, and EBHS were invited to sing at a Providence Bruins game in Providence, RI as part of a family night event. All of the students (grades 3-12) attended with their families and sang "God Bless America" and "The National Anthem" together on the ice before the start of the game.

December is always a busy month for the music department. On Wednesday evening, December 15th, the high school had their annual winter concert. The program featured the high school Concert Chorus, Rhythmix, Concert Band, Music Theater Workshop, Armonia Pop Chorus, and Jazz Band. This concert was the result of dedication and hard work by all of the ensembles that began in September. The concert was well received by all.

In addition, at the winter concert, Tri-M music honor society inducted several new members. They were Jennie Belcher, Derek Braley, Shaelyn Casey, Chelsea Cavagnaro, Samantha Eldredge, Ameliah Lawrence, Robert Nordberg, and Kasey Villirilli.

On Thursday evening, December 16th, Ray Ponte and Kate Bertelli hosted the annual grade 7&8 concert in the middle school auditorium. The concert featured the grade 7&8 band, chorus, and jazz band. This was the first performance of the year for most of these students and they did a great job. The increased rehearsal time and scheduled lessons at the middle school has made a significant impact on the growth of these young musicians.

On Tuesday morning, December 21st the grade four, five, and six in-school holiday concerts were held. There was one performance at 9:00 AM, for all family members of performers and the entire fourth grade. Following at 10:15, there was a repeat performance for students in grades five and six. Ray Ponte and Kate Bertelli put on an impressive display of the students' hard work in these concerts.

Respectfully submitted,
DIRECTOR OF MUSIC

Sheri Fernandes

REPORT OF THE DIRECTOR OF PUPIL PERSONNEL SERVICES

Dear Mrs. Cote,

As the current Director of Pupil Personnel Services, I am pleased to submit this Annual Report for 2010.

After 21 years of service to the Town of East Bridgewater, Nancy Miller resigned as Director of Pupil Personnel Services to accept a position on the Island of Nantucket. Nancy served multiple roles for the East Bridgewater school community. In December 1989, Nancy accepted a position as a Vocational / Life Skills Teacher for the East Bridgewater Public Schools. In September of 1994, Nancy transitioned into the position of Student Support Specialist. Nancy earned her certification as a School Psychologist and served the students of East Bridgewater in that capacity for 8 years before becoming Director of Pupil Personnel Services in 2005. Nancy has touched many lives in the East Bridgewater school community and we wish her happiness and success in her new endeavors.

As the newly appointed Director of Pupil Personnel Services, I was privileged to have the opportunity to oversee the 2010 Summer Assistance in Learning (SAIL) Program. The summer of 2010 was the 12th season of the SAIL Program. During the summer of 2010, the SAIL program serviced approximately 45 special education students from kindergarten through grade seven. The goal of the SAIL program is to help students maintain skills in the areas of English Language Arts and Mathematics in an effort to prevent regression of academic skills.

Project Contemporary Competitiveness (PCC) is a summer program for academically talented students entering grades nine and ten. The Mission of PCC is to provide an intellectually enriching, socially stimulating, affordable, six week, residential summer program at the campus of Bridgewater State University in a friendly, supportive, learning environment

with a carefully constructed balance of freedom and responsibilities for mature ninth and tenth grade high ability students who are open to the excitement of learning, and ready for a challenge. During the summer of 2010, 60 students from the Town of East Bridgewater attended PCC. Thanks to the very generous contributions from local business and clubs, scholarship assistance was granted to 8 of our students. We are sincerely grateful to the East Bridgewater Education Association, the Kiwanis Club of East Bridgewater, and the East Bridgewater Savings Bank Charitable and Civic Committee of the Bridgewater Savings Bank for their generous donations.

At the start of the 2010–2011 school year, the East Bridgewater Public School District student population receiving special education support services was as follows:

In-District Special Education Student enrollment by Building:

Central Elementary School	129
Gordon Mitchell Middle School	126
East Bridgewater High School	50
Private School	2
Total (as of 09/01/10)	307

Out-Of-District Special Education Student Enrollment by Placements:

Collaborative Placements	20
Substantially Separate Day Placements	15
High School Programs	8
Special Education in Institutional Settings (SEIS)	2
Current Total:	45

The Following staff members joined the special education department this school year:

Susan Collins	- preschool Special Education Teacher
Claire Hassett	- grade 4 Special Education Teacher
Lisa Golden	- grade 5 Special Education Teacher
Sandra Tramontano	- Central / Middle School Occupational Therapist
Linda Sullivan	- Middle School Special Education Secretary
Matt Donovan	- High School Special Education Teacher – Therapeutic Classroom
Lauren Delahanty	- High School Psychologist and Special Education Team Chair

Every six years, the Department of Elementary and Secondary Education (DESE) conducts a coordinated program review in an effort to ensure districts remain in compliance with federal and state regulations. The East Bridgewater Public School District is scheduled for a review of Special Education, English Language Education, and Civil Rights Programs during the 2010–2011 school year. The Coordinated Program Review begins with a self-assessment. In the Spring of 2010, former Pupil Personnel Director Nancy Miller requested Walker Partnership to conduct an independent review of the special education programs for the East Bridgewater Public School. The overall focus of this objective review was to gain a greater understanding of the current status of special education programs and services within the district, to identify the strengths of the existing programming as well as to identify what issues need to be addressed to enhance the current programming. The program evaluation was conducted based on a three-prong approach noted to include the following: a review of written documents; site visits; interviews and discussions. Specific findings and commendations are noted within the report and available for review. As a result of the independent program review, Walker Partnership presented the following noted commendations:

- The very high level of education and commitment of the school-based personnel to fulfill the requirements of special education and the IEPs
- The special education secretaries for their knowledge of the special education process and their effectiveness to ensure that the process and procedures are in compliance with state and federal regulations
- The development of specialized programs at the Central and Middle Schools designed to address the unique needs of students

The DESE is schedule to conduct the Coordinated Program Review for the East Bridgewater Public School District in March 2011. Findings shall be made available to the public in the Spring of 2011.

The Crisis Prevention Institute (CPI) has developed violence prevention and intervention programs that have been offered to more than six million human service providers since 1980. These programs are designed to teach concepts and strategies focusing on early intervention and nonphysical methods of preventing and managing disruptive behaviors. One such program, Nonviolence Crisis Intervention, provides an opportunity to learn how to recognize the early warning signs that an individual's behavior may escalate and how to effectively intervene before the situation develops into a crisis. Participants of this program learn key components to interpreting nonverbal behaviors such as body language and personal space as well as to learn a repertoire of intervention techniques appropriate for the given level of crisis. In the event that the situation does escalate into a crisis, participants learn to control the situation while providing the best Care, Welfare, Safety, and Security of all who are involved. Personal safety techniques are demonstrated and practiced.

In April 2009, Jon Fass, Gordon Mitchell Middle School Guidance Counselor, and I participated in an intensive 4-day Instructor Certification Program. Having in-district certified instructors, we are able to train many more staff than if we were to pay to send staff out-of-district for such a training. During the 2009-2010 school year, 33 staff members participated in Nonviolent Crisis Intervention Training. At the start of the 2010-2011 school year, re-certification trainings for staff members who participated in the initial certification program were scheduled in an effort to provide staff with an opportunity to refresh and review their skills. The re-certification trainings have been scheduled for December 17, 2010 and February 18, 2011. Additionally, we will be offering this program to new participants as well. The full certification program for new participants will be held in April, 2011. Thus far, 22 staff members have already volunteered to participate in this program. The Special Education Parent Advisory Council (SEPAC) is a parent group that provides support and networking opportunities for parents and guardians of children with special educational needs. The group serves as a resource for parents, offering workshops and guest speakers to help parents become better informed about special education issues. The East Bridgewater SEPAC is scheduled to meet the second Wednesday of every month at 7:00 p.m. Meetings are held at the Gordon Mitchell Middle School. All parents are welcome to attend. Additional information is available on the District's website.

I would like to express a personal note of thanks to you, Superintendent Susan Cote, along with the School Committee, the Administrative Team, and the East Bridgewater School Community for their support as I transition into the role of Director of Pupil Personnel Services. I would like to add a special note of appreciation to Marie Morey, PPS Secretary, for her support and assistance with the transition. Her knowledge and experience has been instrumental in the (hopefully) seamless change of directorship.

Respectfully Submitted,
DIRECTOR OF PUPIL PERSONNEL SERVICES

Marie Grable, MA, CAGS, NCSP

REPORT OF THE SCHOOL COMMITTEE

To the honorable Board of Selectmen and the citizens of East Bridgewater:

As Chair of the East Bridgewater School Committee, it is a distinct honor to submit this 2010 annual report.

East Bridgewater's relatively new Superintendent, Susan Cote, had little time to become accustomed to her position before challenging tasks confronted her.

In January, after years of attempting to draw attention to the facility needs of the high school, the School Committee moved closer to addressing the issue when it appointed 15 members to the High School Building Committee (HSBC), following the directives of the Massachusetts School Building Authority (MSBA). The HSBC began meeting weekly in February under the leadership of co-chairs Ryon Pratt and David Floeck to address the myriad tasks before them. Joining the co-chairs on the HSBC were Martin Crowley, Domenic DeAngelo, John B. Haines, Thomas B. Hamilton, Elizabeth Hayes, George C. McCabe, Jr., Theresa McNulty, Cheryl Pooler, George Samia, Peter Spagone, Paul Vieira, Susan Cote, and Patricia Coppola-Lugo. On March 24, the director of the MSBA, Katherine Craven, toured the high school with Senator Tom Kennedy and Representative Allen McCarthy to determine the need for a new or renovated school. After only a partial tour, Ms. Craven announced that a new school was needed; East Bridgewater could be placed on the "fast track" for state funding and participate in the "Model School" program if the town could provide funding for a feasibility study and schematic design in the near future. With the cooperation of the Board of Selectmen, plans were made so an article could be placed on the June 7 Annual Town Meeting warrant requesting \$800,000 to fund those costs. With the assurance that the town was moving towards a decision, the MSBA voted to accept East Bridgewater into its Model School program on May 26. When the night of the

Annual Town Meeting arrived, of the 852 voters in attendance, 801 voted in favor of the article. The MSBA will reimburse 52.3% of the cost of the feasibility study and schematic design.

Other committee activities and actions that occurred during the latter part of the 2009-2010 school year included:

- This year, no school was held on state and federal election days, which allowed voters easier entrance into the Mitchell Middle School and, most importantly, kept students safe from the constant stream of traffic on these particular days.
- For the second year in its history, the committee voted to participate in School Choice, allowing interested students from outside East Bridgewater to apply for acceptance to grade 9, which eventually resulted in five additional students entering that grade. This year, funding from School Choice was used to support the ice hockey team.
- In order to address the upcoming requirement for full-day kindergarten, a new reconfiguration of all grades was researched, presented, and accepted. Central School will house grades PreK-2; Mitchell Middle School will become a grade 3-6 school; the proposed Jr./Sr. High School will contain grades 7-12. This new reconfiguration will also allow additional space at the Mitchell Middle School for more Special Education classrooms, resulting in a direct benefit to the students and cost-saving for the district.
- The School Committee, under the direction of George McCabe and Michael Power, developed a new Superintendent evaluation, which included a self-assessment by the Superintendent as well as the usual individual assessments by committee members. A summary of all the evaluations was presented to the public, which noted Superintendent Cote's many successes in her first year.
- Members of the committee again participated in graduation exercises, with George McCabe and Timothy Fowler being designated to confer diplomas to the Class of 2010.
- After meeting for four months with members of the East Bridgewater Education Association, the EBEA did not agree to a wage freeze or other proposals to mitigate the school's budget difficulties. Those in the school department who did agree to the two-year wage freeze included the Superintendent, and members of the custodial and secretarial unions.
- Aramark has continued for a second year to be the food service supplier for East Bridgewater schools. They have addressed some of the issues that caused the financial difficulties of last school year and have developed better communication with school administrators. Aramark officials presented information to the committee indicating that there has been an increase in lunch participation, but due to the Healthy Schools initiative, there has been a decrease in the sales of a la carte items. A new breakfast program was instituted. In an effort to cover all options, a consultant was asked to research the possibility of returning to self-operation and that those details were shared with the committee at May and June meetings.

The committee reviewed and voted on four new fees for the 2010-2011 school year:

- The committee voted to raise the cost of lunch to \$2.25 because the current lunch price of \$2 was one of the lowest in the area and well below the federal reimbursement rate.
- In an effort to cover the true cost of using school facilities, the committee reviewed the building use fees and voted to accept four different new fee structures depending on what group was using the building – a school-based group, a non-profit town youth group, a non-profit adult group or a for-profit group. This year, the committee accepted the request of American International College to use the Mitchell Middle School as an off-campus site. AIC agreed to pay the new building use fee, which will bring additional funding to the school district.
- The tuition cost for the Early Childhood program, also less than other area programs, was increased from \$2500 per student to \$2700 per student. This change will allow the program to continue to be self-sustaining.
- With the assistance of the Superintendent, the High School Principal, and the Athletic Director, the committee also considered an increase in the athletics user fee, which generated some discussion from the public. School Committee members eventually voted to change the fee to \$350 per year. At the end of the process, there was an overall appreciation of the tenuous school budget situation and an understanding of why these fee increases were necessary.

The School Committee extended its gratitude to the members of the 2009-2010 Student Advisory Council, most notably Dan LeBlanc, who attended school committee meetings faithfully and kept the committee up-to-date on student events. Assisting Dan in his duties during the year were Hannah Emery and Samantha Kuhn. With his consistent good humor, Dan's reports were always welcome and we are pleased to know that Dan and other students will continue in this position for the next school year.

At the reorganization meeting of April 15, School Committee officers were elected: Elizabeth Hayes as Chair, Thomas Hamilton as Vice-Chair and Michael Power as Secretary. The committee welcomed Kathy Girard as its newest member, joining Timothy Fowler and George McCabe on the committee.

During the 2009-2010 school year, the committee received resignations from many dedicated staff members and we wish to thank them for their longtime commitment to our students and our schools. We will miss them and wish them well in their retirement. June 30 marked the official departure of Nancy Miller, Director of Pupil Personnel Services. Nancy has served the district and its students in a truly exemplary fashion. During her tenure, new programs were instituted which benefited both the students and the schools. She was passionate about Special Education and will be sorely missed by this committee, administrators, parents, and students. Marie Grable will serve in this capacity for the next school year. We also extend our most grateful appreciation to every school employee for their diligence and commitment, each day of the school year, to provide our students with the best possible education. We sincerely appreciate their continuous efforts.

In the fall of 2009, town departments were asked to prepare a -7% budget from the FY10 actual budget. Many presentations were made that highlighted the devastation that a reduction of almost \$2M would cause. For years, budget constraints have been eroding both staff and services, but in recent years Special Education costs have increased at an alarming rate and yet are not reimbursed by the state at the rate promised. For FY11, Special Education costs represented 10% of the total budget. In conjunction with developing the budget, revisions to the Department Head and Music Director job descriptions were made. The annual Budget Hearing was held on April 15 and the committee voted on an FY11 budget of \$15,570,260. Fortunately, the town later determined that only a -3.5% reduction needed to be made, resulting in a final budget of \$16,156,237. This change, while preferable to a -7% reduction, represented the lowest school budget total in many years and meant that 20 positions would be lost. However, late in the summer federal government grants (the second year of the American Recovery and Reinvestment Act and the new Education Jobs Bill) became available, which brought additional funding to maintain school jobs for one year, which resulted in reinstatement of about half the positions.

Our students and schools continued to be the beneficiaries of generosity from the community. Despite continuing economic challenges, the number of scholarships has grown again this year for East Bridgewater students with the addition of the East Bridgewater Arts Council Scholarship, Senior Citizens Club Scholarship, the Lena Peterson Scholarship, the Rose Mandill Scholarship, and the Chester S. Shalginewicz Scholarship. Annually, Dr. Albert Dunn, III, agrees to serve without compensation as the School Physician and his salary is used to fund enrichment activities. Funds from the East Bridgewater Savings Bank Charitable Committee in the amount of \$500 per school were made towards the cost of teachers' supplies. The committee thanks all parent groups, such as Music Parents, Parent Teacher Organizations, Partners in Education, School Councils, the Special Education Advisory Council, Viking Sports Parents, just to name a few, who volunteer their time and talents in order to benefit students in multiple ways; we are grateful for all they do.

As the 2010-2011 school year began, there were many activities related to the HSBC to report. The architectural firm that had designed Whitman-Hanson High School, Ai3, was selected to design the proposed Jr./Sr. High School. In addition, the firm of R.F. Walsh Collaborative Partners was chosen to be the Owner's Project Manager (OPM). Numerous public meetings were held at which the designer and OPM were available for questions and a new website was developed so that information about the proposed new school could be easily accessed by the public. The School Committee unanimously selected the area behind the current high school for the proposed new school site and accepted the space summary and educational program that were recommended by the HSBC.

Also during the first part of the 2010-2011 school year:

- The October 1 enrollment figure of 2316 was released, representing a decrease of 58 students from last year. This number affects the Chapter 70 allotment, grants, aid projects, and various official reimbursements.
- Tammy Cronin, the Before- and After-School Care coordinator, gave an update on the success of the Before- and After-School Care Program. The program finished its first year with a \$500 positive balance, proving that it was a program that could be self-supporting. It was universally deemed an outstanding success by administrators, parents, and students.
- Responding to the need as well as a directive from the Massachusetts Legislature, all three schools developed a new harassment/bullying policy.
- First Student Transportation is in its final year of a three year contract and a decision will have to be made about continuing with them for an additional year or going out to bid. Currently, the town budget assumes the transportation costs for regular education students and the school budget is responsible for covering the transportation costs for special education and agricultural school students.

The committee set four goals for 2010-2011 which included:

- Prepare for the 2013-2014 K-12 school reorganization that was approved by the school committee on May 13.
- Identify and implement a school lunch program that meets the needs of the students while providing the school department with the greatest cost efficiency.
- Support the activities of the High School Building Committee.
- Develop a cost-efficient and educationally sound school budget.

George McCabe and Michael Power serve as co-chairs for the FY12 budget. In its early stages, the town has requested that each department prepare two budgets: a -1.5% reduction and a 3.5% reduction from the FY11 budget, both of which will

have severe effects on the staffing and programs offered at all three schools. As the school budget is being developed, it is important to thank the school administrators, the Finance Committee, and all members of the town financial team, who work tirelessly to develop the town budget. The school department and all other departments have been adversely affected by worldwide economic woes for a number of years.

The School Committee is proud of East Bridgewater students. With the constant encouragement and guidance from administration and staff, our students continue to make progress in the realm of academics, music, athletics, and community involvement, despite the significant budget challenges that persist.

Respectfully,
SCHOOL COMMITTEE

Elizabeth Hayes, Chair
Thomas Hamilton, Vice-chair
Michael Power, Secretary
Timothy Fowler
Kathy Girard
George McCabe

REPORT OF THE SCHOOL FOOD SERVICES PROGRAM

Dear Mrs. Cote:

I am pleased to submit the Annual Report of the School Food Services Program for the 2009-2010 school year.

As reported last year, we have contracted with Aramark as our food service vendor for the third and final year of our contract. We made the change in an effort to provide a more contemporary menu, and the professional management & marketing skills of an international company. In addition, all of our previous food service employees were able to transfer their employment to Aramark, and have been able to continue to work in our own schools.

With their buying power, we were able to upgrade some of our kitchen equipment and purchase a lunch prepayment system called MyNutrikids, (a registered trademark). Parents can go to our school website and follow the Food Services link and make payments online or send in a check with their child and the prepayment will be done at the cash register. With prepayments, the lines flow much faster allowing the students more time to relax and eat. This system also allows for privacy for those students receiving a free or reduced meal.

To realize excellence in education, we share a responsibility to ensure that children come to school ready to learn. Nutrition plays an integral part in that responsibility. In partnership with the United States Department of Agriculture and the Child Nutrition Programs administered by the Massachusetts Department of Education, the East Bridgewater School Food Services Program contributes to the health and well being of our students by providing nutritious and affordable meals in our schools. The program also provides low-cost meals to senior citizens at the Gordon W. Mitchell Middle School every Thursday during the school year. The price for a regular student meal including milk and dessert is \$2.25 and a reduced meal is .40 cents. We offer breakfast for the children in our "Before & After Care" program based in the Gordon W. Mitchell Middle School and any GWMMS bus student who wants to participate at a cost of \$ 1.50 and a reduced breakfast of 30 cents.

We encourage all families to apply for the Free and/or Reduced meals if they meet the "Income Eligibility Guidelines" that are posted on our Food Service link of our website along with a downloadable application. Families can apply at any point during the school year, if they meet the guidelines.

We are hoping to bring menus and more information to our website soon. We welcome any ideas, and please call us with any questions or concerns.

Finally, thanks to Principals Gina Williams, Stanley Piltch, and Paul Vieira as well as all of the students, faculty and parents who continue to support this valuable program.

Sincerely,
SCHOOL BUSINESS ADMINISTRATOR

Patricia Coppla-Lugo

REPORT OF THE DEPARTMENT OF INFORMATION SERVICES AND INSTRUCTIONAL TECHNOLOGY

INFRASTRUCTURE

Infrastructure Improvements

Computer Upgrade: In 2010, LEA funds were used to upgrade computers in the high school CAD lab and the middle school integration lab. The CAD lab computers were 6-7 years old and the middle schools' were 8-9 years. Neither lab could support the software applications used in the current instructional programs. Office computers that were not upgraded with our infrastructure improvement plan in 2007 were replaced as well. Additional Interactive whiteboards were purchased for all three schools.

STAFFING

In September 2010, we were fortunate to be able to reinstate Central School's computer teacher position lost due to budget cuts in 2008. Therefore the computer lab is fully scheduled with classes. The position of Software Integration Technician was created to provide additional end user support for software related issues and desktop trouble shooting. A graphics arts teacher was hired at the middle school. Both new positions were funded by the Federal Jobs Act.

INSTRUCTIONAL TECHNOLOGY

Professional Development

Professional development for educators is essential for the effective classroom application of technology resources. The school department continues to offer in-district options for faculty and staff and supports coursework approved by Staff Council. In 2010, technology professional development was offered on professional days, early release days, and after school hours. Technology professional development was conducted by the director of technology, district teachers, and outside consultants.

Administrators

All East Bridgewater administrators participated in two days of summer professional development focused on technology for 21st century teaching and learning. As a follow up, they attended the MassCUE/MASS annual conference. The theme was "Today's Global Learners, Tomorrows Global Leaders." Both professional development opportunities underscored the importance of the administrators' role in successful technology initiatives.

All Staff

Technology professional development was offered to all staff throughout 2010. SMARTBoard technology, multimedia, assistive technology, podcasting, movie making, electronic grading, web site development, streaming video, and Web 2.0 applications were among the many offerings. A Framingham State University graduate level course on "SMARTBoards in the Classroom" was offered to teachers in the fall of 2010.

Classroom Application

Owing to increased capacity, teachers are integrating technology with greater frequency for whole class instruction, student projects, and individualized support. There is expanded use of specialized assistive technology, web-based MCAS preparation programs, curriculum-related software, Internet resources, streaming video and productivity applications. Many teachers post curriculum material, homework and information for parents on their own classroom web pages at www.ebps.net, the SchoolWires hosted website. In addition, teachers publish lessons and curriculum material to shared network drives for collaboration with colleagues.

NEW FACILITIES USE

The Gordon Mitchell Middle School began hosting American International College's Extended Campus Program in August of 2010. A.I.C. is located in Springfield and offers graduate programs in education and administration. In addition to the fact that the onsite program is a convenient way for teachers from East Bridgewater and neighboring communities to further their education, the facility use fees are extremely welcome in these difficult fiscal times. It is our hope that this is the start of a long term partnership between the college and the district.

INFORMATION SERVICES

iPASS and iSTAFF Personnel Information Systems

The East Bridgewater Public Schools use iPASS and iSTAFF by Information Marketing Group of Framingham, MA for student (SIMS) and personnel (EPIMS) data and reporting. In October of 2010 the Department of Elementary and Secondary Education added to the student data collection. The SIMS reporting now included Student Course Schedules with course, section and grade information. iPASS is the database now used across the district for attendance, discipline, grade reports, transcripts, course catalogs, and scheduling. During 2009, the iSTAFF attendance module was added and in 2010 the high school piloted the parent portal iParent with a small sample of students, with the hope of extending access to all families in the future.

Additional Data Systems

Other data systems in place across the district include:

eSPED	Individual Education Plans
SNAP	Health Office Software
Blackboard Connect	Automated Notification System
Study Island	MCAS Preparation Software
Nutrikids	Point of Sales for Food Services

COMMUNITY CONNECTIONS

The Technology Task Force held its second annual Technology Expo. Teachers and students demonstrated the many ways technology is used in classrooms throughout the district. Without question, SMARTBoard technology has made daily instruction interactive and exciting for teachers and students. The Expo was a wonderful opportunity for community members to see the way their support for technology has benefited students.

In collaboration with the Council on Aging, free technology training for East Bridgewater Active Elders was held in May. Middle school teachers and the director of technology were instructors. Topics included computer basics, digital photography, social network sites, word-processing, excel spreadsheets, Flip videos, internet sites for seniors, and virus and spy-ware protection. This was the second year of this community outreach activity that has been extremely popular with East Bridgewater active elders.

CONCLUSION

The School Department is grateful for the support it has received from the community for its technology initiatives and for the hard work of our staff who put them in motion every day.

Respectfully Submitted,

DIRECTOR OF INFORMATION SERVICES AND INSTRUCTIONAL TECHNOLOGY

Maureen W. Tucker, M. Ed., C.A.G.S.

REPORT OF THE RECREATION COMMISSION

To the Honorable Board of Selectmen and Citizens of East Bridgewater:

The East Bridgewater Recreation Commission strived in 2010 to economically manage and maintain town recreation facilities, and to offer "hometown family fun" without use of taxpayer funds.

Following are 2010 highlights concerning recreation facilities, activities, fund-raising, and volunteerism – and some hints of challenges to come.

Facilities

At Strong's Field, which continues to be one the South Shore's most desirable amateur baseball fields, the Department of Public Works improved drainage behind shortstop, and began improving fencing along the first-base line, resodding the third-base line, and clearing vegetation from warning tracks. The concession stand was opened and operated by Mr. Bruce Grober of Brockton, who contracted to contribute 10% of profits to the town. Also, the commission began soliciting money from local businesses and philanthropic organizations for the purchase and installation of a new, \$9,000 electronic scoreboard to replace the worn-out old one.

Rehabilitation of the premiere field at the Belmont Street soccer complex began in the fall, and work continued on field irrigation as well as parking-lot access and grading. At the Church Street baseball complex, aging playground equipment was replaced by batting cages, thanks to EB Little League. At Hobart, Zach Hamilton of East Bridgewater Boy Scout Troop 32 was granted permission to start an Eagle Scout project to renovate the dilapidated street-hockey rink.

Recreation facilities at Church, Hobart and Belmont streets, as well as at Strong's Field, were mowed, fertilized, aerated and otherwise maintained and readied for use thanks to the efforts of the Department of Public Works and youth-group volunteers. Payment for field and facility maintenance came from \$5,000 annual user fees paid by East Bridgewater Little League and EB Youth Soccer, from field-use fees paid by organizations, and from fund-raisers – NOT from property taxes.

In a major policy change to help local youth-sports organizations remain viable in tough economic times, the commission voted unanimously to give 90% of all field-use rental fees from the Church, Hobart and Belmont Street complexes to EB Little League and Youth Soccer. The town continues to keep all field-use rental fees from Strong's Field because the town pays for 100% of that field's maintenance costs.

Activities

In spring 2010, Commissioner Joe Floeck held his 4th annual "Kicks for Life," a popular soccer and fitness program for women 35 years-plus. Also in the spring, the commission's second annual Easter Egg Hunt distributed 3,500 prize eggs to about 300 young seekers roaming the Central School playground.

From June 7-10, a South Shore Soccer League tournament involving 32 teams was held at the Belmont Street soccer complex for the first time, generating praise, prestige, revenue, and the prospect of more of the same in future years to the town and its soccer program.

Two popular "Dale & the Duds" performances kicked off, and wrapped up, the commission's third annual free Concerts and Movies on the Common series, which expanded to eight concerts and two family-friendly movies, held Sunday nights on the Common from June through August.

Other 2010 summer activities included an experimental, cost-friendly Summer Parks Program, held at Hobart Field in July and August; and the second annual "Common Market," held weekends at the high school across from the Common from August through October.

For the third year, the commission sponsored an EB winter tradition – the Christmas Parade, themed "Christmas Memories," expertly organized and run by the commission's Christmas Parade Committee.

The commission's Friends of East Bridgewater Trails committee continued its outstanding work of preserving and promoting EB pathways, and joined with sister organizations in Bridgewater and W. Bridgewater to pursue funding. Fund-raisers

For the fourth year, the commission's primary fund-raiser was the Fiesta Shows carnival held on school grounds off Route 18 in June, which raised \$3,300 for town recreational activities. Other sources of funds included field-use fees; receipts from "snack shack" sales of hamburgers, hot dogs, drinks, candy, popcorn, etc., during concert and movie nights; registration fees for "Kicks for Life;" vendor-table fees for the "Common Market;" concession-fee profits from the reopened Strong's Field snack bar – allowing the commission to sponsor events without tax money.

Challenges ahead

A major challenge in 2011 and beyond will be to accommodate the increasing demand for field use by local sports

groups, including, eventually, football and lacrosse - especially in light of new high school construction scheduled to begin in the fall and last for years. With both the high school and Central School fields unusable, demand is expected to build on the town's other athletic facilities - and the Recreation Commission's primary annual fund-raiser, the Fiesta Shows, will no longer will have a venue.

Other challenges will be to continue offering family-fun events; explore new fund-raising opportunities; gauge interest in new activities; and recruit and maintain the Recreation Commission at its full complement of seven members. Volunteers and other friends

The Recreation Commission would like to recognize and thank the many volunteers and friends who enriched our town's leisure life in 2010. They include ex-Commissioner Lori Cogan; Christmas Committee members Janet, Jessie and Bob Packer, Linda and Tim Fowler, David and Erin Handricken, Donna, Meaghan and Shannon McGlinchey, and Destiny Fiaschetti; Friends of East Bridgewater Trails Committee members Dianne Phillips, Howard Wilbur, Marilyn Johnson, Ed Fopiano, Chad Wohlers, Joe Kenney and Tom Bartosek; movie volunteer Paul Toczko; Russ Mills, Don Hudgins, Jim Ross, and the many other officers and coaches involved in EB youth sports.

The commission also wishes to thank Selectwoman Theresa McNulty; John Haines and Tom Reynolds at DPW; Bob Roscoe and Al Graziano at Strong's Field; Chief John Cowan and Scott Allen at the Police Department; Gina Williams, Paul Vieira, Shawn Tarpey, and Stan Piltch at EB Public Schools; Fire Chief Ryon Pratt; Cathy Johnson and Christine White at the Selectmen's Office; Town Clerk Marcia Weidenfeller and her staff; Town Accountant Phyllis Tirrell; Web designer Sue Moss of Whitman; and all who volunteered, attended our meetings, offered ideas, advice, and good wishes.

Respectfully submitted,
RECREATION COMMISSION

David Floeck, Chairman
Jacquelyn Rose, Vice Chairwoman
Josef Floeck, Treasurer

Eric Norment, Clerk
Robert Curtin
Jennifer Huss

REPORT OF THE CAPITAL IMPROVEMENT PLANNING COMMITTEE

In Fiscal '07 the Capital Committee began developing a strategic plan in its approach with the capital needs of the community. The first step voters approved the implementation of a Capital Stabilization Fund at the ballot box. The second tier consisted of considering immediate projects, while developing a long range plan to maintain the infrastructure of the community.

In Fiscal 2009, the projects listed below were considered and approved for funding at the Annual Town Meeting. Part of that long range plan was realized in fiscal 2010 when the Massachusetts High School Building Authority voted to invite the East Bridgewater School District to collaborate with the MSBA in conducting a Feasibility Study on the East Bridgewater High School. On May 25, 2010 the CIPC held a posted meeting at Town Hall to discuss Article 10 on the Annual Town Meeting Warrant held on June 9, 2010 requesting \$800,000 for purposes of conducting this study. The High School Building Committee has met weekly since being appointed in moving through the process of planning a new high school meeting all requirements mandated by the MSBA.

On December 6, 2010, the CIPC attended the High School Building Meeting of which five members of capital were present to review and voted to support the plan submitted by the HSBC for a new high school. It was explained to the Committee that the town would receive 64%+ reimbursement.

Prior to the Special Town Meeting held on February 7, 2011 to bring the Article to fund a new high school before the voters, a posted meeting was held at 6:15 p.m. by the CIPC at the East Bridgewater High School Auditorium. The CIPC voted unanimously to support this project.

Project	Bonded	Cost
Street Drainage Upgrades	20 years	\$30,000
Floor Replacement (Central School)	20 years	61,700
Boiler Upgrades (Middle School)	20 years	141,000
Culvert Replacement	20 years	150,000
System Tech Upgrades (phase 2)	10 years	178,700
Security Camera Upgrade (Schools)	10 years	271,850
New Fire Engine	15 years	<u>400,000</u>
TOTAL		\$1,233,250

The Committee considered the necessity of the project along with the projected monetary cost, and useful life of the capital request.

With regards to the construction of a new high school, the Committee feels strongly that infrastructure issues must be addressed by the community. The longer infrastructure is kept at bay the more costly it becomes and could result in an adverse effect on property values within the community.

The Committee has reviewed, with the help of Town Administrator George Samia, Municipal Debt. Debt service and outstanding debt are significant components of a community's fiscal health. Debt service is measured as a percentage of the town's budget with 0-8% being considered low and high when more than 15 % of the operating budget is spent on debt service costs.

East Bridgewater has maintained a low debt service with approximately 3 to 4%. Using acceptable benchmarks, our community is conservative both in the amount of money expended for annual debt service and the total of amount of principal outstanding.

We wish to thank the Citizens of East Bridgewater for their support.

Respectfully Submitted,
CAPITAL IMPROVEMENT PLANNING COMMITTEE

REPORT OF THE VETERAN'S AGENT

To the Honorable Board of Selectmen and the Citizens of East Bridgewater:

As the wars and conflicts continue we pray for the safe return of our Troops. Veterans' issues are of great interest to our community. Considering our country's problems, our Troops are in the forefront of our mind! Freedom is a gift that comes at a cost and must always be cherished and protected.

In the 18th century, towns in the Massachusetts Bay Colony provided assistance to their needy veterans of the French and Indian War (1754-1763) between France and Great Britain, fought in North America. The Commonwealth of Massachusetts began providing for its veterans immediately following the Revolutionary War. In 1861 the State Legislature formalized the assistance provided to veterans by establishing Massachusetts General Laws Chapter 115 and the Department of Veterans' Services. In every city and town in the Commonwealth, the legislature created the offices of Director of Veterans Services, Burial Agent and Graves Officer in recognition of the military services and associated sacrifices by its citizens who protected and defended the United States.

It was the desire of the state and local government leaders to recognize this service in our armed forces by providing certain essential benefits to men and women (both living and deceased) who had borne the burden of military duty and to their families in order to honor them by providing benefits that were earned by their service. Chapter 115 enables every eligible Massachusetts veteran to receive certain financial, medical, educational, employment and other benefits. Massachusetts General Law requires every city and town maintain a Department of Veterans' Service Officer either part time or full time. From the start in 1861, the veterans within the Commonwealth of Massachusetts have not been forgotten. We of the Massachusetts Veterans' Service Department are committed to assist veterans and their dependents with concern, compassion and dedication!

The Commonwealth of Massachusetts has insured that no individual who served his or her state and nation with honor would ever be pauperized or forced to turn to public welfare for assistance. The Massachusetts Executive Office and the Massachusetts House and Senate have shown their continued concern for the welfare of the veteran and his or her dependents with the fullest support of one of the most comprehensive programs for veterans in the country, the Department of Veterans' Services and the local Department of Veterans' Services.

The mission of the East Bridgewater office is to provide eligible veterans and their families who are residents of East Bridgewater, financial assistance and medical reimbursements in accordance with a formula that takes into account the number of dependents and income from all sources under the provisions of Massachusetts General Law, Chapter 115. Eligible dependents of deceased veterans are provided with the same benefits as if the veteran were still living. In addition to processing claims for Chapter 115 benefits, I also advise Veterans on the process for VA Health Care enrollment and provide proof of Veteran status to funeral directors and render burial benefit information to the next of kin of deceased veterans. The Veterans Service Office also provides copies of military discharge paperwork to veterans or their dependents. This office also refers veterans to the VA hospital, housing, employment and educational services.

I would like to thank the Town of East Bridgewater for their support and compassion for veterans past and present. Let's rededicate ourselves to our country and our veterans and their families.

Footnote: The town is reimbursed 75% by the state on benefits paid out to the veteran.

Respectfully submitted,
VETERAN'S AGENT/DIRECTOR

Robert E. Charles
